**Tuesday, September 3, 2024 - Myra Boland, Athens/Oconee  
CASA**

Hello, my name is Myra Boland, and I am the Development and Outreach Coordinator for Athens-Oconee CASA.

I am a police officers' daughter, dog and cat mom, and as independent as they come!

Originally from California, I grew up in the Central Valley where I was surrounded by Agriculture and a slower pace of life. I attended college at Fresno State University where I graduated with a Bachelors in Sociology in 2019. After graduation, I immediately jumped into the non-profit sector after college and began working for an organization that provided internet access to rural areas in Fresno and Tulare Counties. I then transitioned into a leadership role within the organization and began working in community engagement. We grew youth programs ranging from a Summer Recreation Program to a Free Lunch Program for high school students in the community. In 2023, I felt like I needed to make a shift in the community I served and began working for CASA of Kings County in July of 2023. I recently made the transition to Athens-Oconee CASA in May of this year. My role consists of growing community awareness for CASA, growing our volunteer base, and growing our community partnerships.
