The Rotary Club of Johns Creek - Let the Celebrations Begin

By Arthur E. Holst on Sunday, May 5, 2024

Another good Rotary week as we did our best to send Mary Showalter off in style. Thanks to Marilyn and others who helped with her presentations and baskets. I know it meant a lot to Mary. And thank you, Marc Litt, for arranging lunch with Rosa Mia.

Project Vital is one of the last remaining big projects we have this year, prior to the end of June and my transition out of the President's role. Tentatively, the other Johns Creek club has mentioned a possible 11am to 1pm manning of tables during hospital week, next Wednesday, May 15th at EJCH. Remember, these were all the cards (1200) that we signed and the other items being made in appreciation of hospital staff. I will advise as details are confirmed.

Don't forget that this coming Saturday, May 11th, is the Boys and Girls Club playground mulch placement. The time is 9:30 and the address is 2150 Antioch Rd, Cumming GA. You have seen some photos online and in bulletins already, and it's part of the Tommy & Chantal Bagwell Center.

On Monday of this week there will be a Foundation presentation, and we will discuss the differences between the various platforms of Rotary. We will also review the differences between our operational accounts and foundation accounts within the club structure.

A few other friendly reminders.

- The Club Assembly is Monday, May 13th and this is, of course, where we formally vote on positions for 2024-2025.
- District Assembly if you have a leadership role now, or in the future, or have an interest in a leadership role in the future, is on May 18th, Saturday and signing up is via DACdb under the Calendar section. It's \$40, and I know a few are going. This session from the morning until around 3pm is a great way to learn about all major topics affecting Rotary and our various roles. This year most sessions are led by District or past District Governors. I am happy to help anyone who needs assistance registering.

Best Wishes Mary Showalter

Sunday, May 5, 2024

Club member Mary Showalter is relocating to Jacksonville, FL, and we sent her off in style at our club meeting on Monday, April 29, 2024. We will miss you, Mary.

It was also "honorary" member Teegan Cagle's last regular meeting with us as she starts daycare on Monday. Looking forward to having her join us at future meetings and club socials.

Club Sponsors Mental Health Awareness Event

Sunday, May 5, 2024

The Rotary Club of Johns Creek sponsored a Mental Health Awareness seminar at Johns Creek United Methodist Church on Thursday, April 25, 2024.

Our own Michael McCullar led the event along with colleagues from the Johns Creek Police Department. Proud of the work Michael does on this important topic.

I will say that we clean up pretty well and know how to have fun while raising money to continue serving others!

Thanks Bob and Teresa!

Boys and Girls Clubs of Lanier - Tommy & Chantal Bagwell Club Officially Open

The Tommy & Chantal Bagwell Club, part of the Boys and Girls Clubs of Lanier, was officially opened during a ribbon-cutting ceremony on Wednesday, April 24, 2024.

Arthur Holst and Cindy and Lynn Carlson were in attendance.

The club officially opens for students on June 3, 2024, when students arrive for summer camp!

Arthur Holst Sponsors Northview Orchestra Scholarships

Sunday, April 28, 2024

For the second year in a row, Arthur Holst sponsored two scholarships for Northview Highschool Orchestra students which were presented to the winners at their Spring Concert on Thursday, April 25, 2024.

According to Arthur, this is his way of giving back to the school, where he also tutors each week.

To compete for the scholarships, seniors had to submit an essay regarding what they gained from being in an orchestra, and what music has meant to them over the years.

The two winners are shown below with Arthur and Orchestra Director Jeremy Woolstenhulme.
