The Rotary Club of Johns Creek

By Arthur E. Holst on Sunday, May 12, 2024

This past weekend we participated in the laying of final mulch for the Boys and Girls Club Playground in Cumming at the Bagwell Center. That project is now final, having started last year under Lynn's term, and a joint project with all 5 Forsyth clubs. They are open in June with almost 300 kids registered to go through programs there. It's down the street from the Place, which you all know we sponsor extensively.

Project Vital is one of the last remaining big projects we have this year, prior to the end of June and my year as President. We will be distributing items to health care workers at EJCH from 11am to 1pm and manning tables during hospital week, this Wednesday, May 15th.

This week, Monday, is the Club Assembly and you will be voting on leadership positions for 2024-2025. Hope to see you there. I'll be attending (along with others) the District Assembly on Saturday, May 18th. As a board member of District 6910, I hope to be able to continue to take the messaging of what clubs need in support moving forward and upward to complement your efforts and Allen's in his role as AG.

A few other friendly reminders.

- No club meeting on Memorial Day, May 27th.
- Peter Hildebrandt, President of the Johns Creek Symphony will be presenting to our club on Monday, May 20th. A good friend and colleague and I look forward to seeing him.

Sunday, May 5, 2024

Club member Mary Showalter is relocating to Jacksonville, FL, and we sent her off in style at our club meeting on Monday, April 29, 2024. We will miss you, Mary.

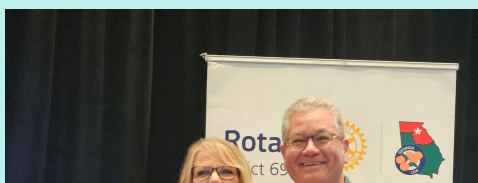

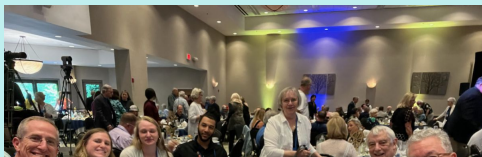

It was also "honorary" member Teegan Cagle's last regular meeting with us as she starts daycare on Monday. Looking forward to having her join us at future meetings and club socials.
