The Rotary Club of Johns Creek - Happy New Rotary Year

By Marilyn Margolis on Monday, July 1, 2024

Hello my fellow Rotarians and welcome to the 2024-2025 new year of Rotary. I am so excited to be serving as your President this year and know we will accomplish so much with projects, service events and fun in the social arena.

I have had the chance to meet with Arthur, who has spent countless hours mentoring me (and others in the club and district) on the tools and tricks for our Rotary club to continue our success. Thanks to you, Arthur, for your time, energy and successful efforts during your presidency. I am counting on you and the rest of the club to continue your engagement, knowledge and ideas to move us to our true north. It is in the vein that I am organizing a strategic planning session for one of the meetings coming up in July. I want to ensure that we are heading toward our true north goals and HEARING EVERYONE's voice on where we should be expending our time and energy.

Last week, Allen and I met in front of Emory Johns Creek Hospital to do a quick video on "The Magic of Rotary". There were multiple outtakes, but the final message was that the magic of Rotary comes through each one of you and what you do every day to help serve our communities and those in need.

Please take some time on July 4th to remember the meaning of the day; the celebration of the adoption of the Declaration of Independence for the 13 established American colonies to be free from British rule. As Roger Wise would remind us: freedom isn't free and should not be taken for granted. Let us all be thankful for each and every day that we live in this wonderful country with the benefits of being free and ensuring that our freedoms aren't ever taken away. Be the person who is accepting of everyone's right to be who they are.

I am looking forward to this year with all of you. Let the Magic begin..... Happy Independence Day!

Yours in Service, Marilyn Margolis
