BULLETIN

In light of the surprising news that our dear President Donna Hill passed away last week we dedicate this meeting to remembering her. If you are able we would love to have a strong showing to remember her. While most of us have known Donna and Steve for several years it is impossible to capture everything that she has accomplished in her lifetime of service.

Donna Davis Hill was actively serving as president of Loganville Rotary Club when she passed very unexpectedly this past week. She had served as the Foundation Chair and was a Paul Harris Fellow.

Donna was employed in the senior insurance field with E2E Benefits. She was active in her professional association on state and national level. She was married to the love of her life Steve and saddened when he required long term care this past year.

She was from Tuscaloosa, Alabama and graduated from University of Alabama. She was a life-long fan and loved to wear her scarlet "A" and her elephant jewelry. She also enjoyed football and was usually ranked fairly high in the annual Rotary football pool.

She was a member of Canon Memorial Methodist church where she had a great network of friends and was a Bible Study Leader. Reading was one of Donna's joys in life and she enjoyed print and audio books. She was a member of a book club and had recently joined a new book club at the O'Kelly Memorial Library in Loganville. She loved that one of Rotary's focuses was literacy and enjoyed our literacy projects. Another of her passions were her dogs. She had several and had also fostered many dogs over the years.

Below are some comments that have been shared by others that knew Donna.

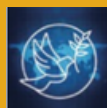

- I loved my time spent with Donna. She is a veteran professional on many levels. Her attention to detail and thoroughness is a rarity it seems these days. I would do business or hire Donna in a heartbeat. She is a breath of fresh air in the complicated world of Medicare.
- Donna has an enormous amount of talent and dedication to our industry. I am proud to have worked with her and consider her a vital contact as our industry changes.
- She has been a great mentor to lean on and took time out of her schedule to help me start building a good network within Georgia. She is a person that brings a lot of energy to any situation and really strives to better herself and those around her daily.
- With grace and humility, Donna exemplified Service Above Self in her personal life, her vocational service, and service to her beloved Rotary Club and community.

You are invited in showering her family and community with your thoughts and prayers during this most difficult time. If you would like to share a note of concern, love, and encouragement with her family, we have provided Donna's mailing address below.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1st The development of acquaintance as an opportunity for service;

2nd High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

3rd The application of the ideal of service in each Rotarian's personal, business, and community life;

4th The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Five-Way Test

Of the things we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
5. Is it **FUN**?
