### Jason Rush

Is a driven entrepreneur who has made his passion for technology and business the foundation of his career. He grew up watching his father, an Electronics Engineer work on various projects. This early exposure ignited his interest in the field of providing IT solutions.

After graduating from High School, Jason secured his first IT position as a Test Technician at an electronics design company, where he worked with video server systems. Over time, he gained a wealth of knowledge and experience.

In 2015, Jason took a leap of faith and established Rush Technology Solutions, a Company that specializes in IT support for businesses.

In addition to his work in IT, Jason is also deeply committed to serving his community. He was involved in Boy Scouts and Civil Air Patrol through high school; and has been a member of the Rotary Club of Loganville since 2017. He is also a devoted family man, married to his wife Michelle and raising two children, including a daughter they homeschool. Jason's faith is an essential part of his life, and he credits his success to the Lord.

## Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1<sup>ST</sup> The development of acquaintance as an opportunity for service;
- 2<sup>ND</sup> High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3<sup>RD</sup> The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4<sup>TH</sup> The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## The Five Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill & better friendships?
4. Will it be beneficial to all concerned?
5. Is it fun?
