

# *The Future of Rotary is Here!*

## ***NEWS FOR AUGUST 6, 2018***

### ***OUR MOST RECENT MEETING***

Instead of our usual fortnightly meeting, we took a field trip to Junior Achievement's Discovery Center, next to Discovery High School in Lawrenceville. Our own Swetha Gupta works for JA, and she made all the arrangements. Swetha and several of her colleagues were there to conduct the tour and answer questions. It's an incredible facility, honed from an old warehouse. Sixth and eighth graders spend a day there learning about business and the aspects of adulthood that are too often ignored in their education. They spend many hours in class learning these things before they spend the day at Discover Center. Over one-third of middle school students in Georgia will tour one of the three JA Discovery Centers in the state.
