Rotary Opens Opportunities

# LOVE, LOVE, LOVE

By DG Tina D. Fischlin on Friday, February 5, 2021

February is one of my favorite months. Love is in the air! Not only do we celebrate Valentine's Day and Rotary International's birthday, but February is also the month that we champion Rotary's cause of Promoting Peace.

By the time you read this newsletter, *you* will have exceeded the District goal of providing 1 Million Meals in our Feed 10 Million Meal Challenge. Talk about showing the LOVE! Rotarians in District 6910 have the biggest hearts.

You are making a huge impact in our communities, so keep logging those meals at <https://www.rizones33-34.org/feed10million-initiative/>. Also:

- If your club would like to receive a Farmers to Families Truck of Love, get in touch with Doug Bolton [dougbolton@yahoo.com](mailto:dougbolton@yahoo.com).
- If your club has not applied for the \$500 COVID matching grant to be used to purchase food and/or PPE, you still have time. District Grants Chair Pete McDonald would be happy to guide you through the process.

On **February 23 we celebrate Rotary's 116th birthday**. This day is appropriately designated as **World Understanding and Peace Day** as we celebrate Rotary's ongoing efforts to promote peace and tolerance around the globe. Rotary and the United Nations have shared a history of working toward peace and addressing humanitarian issues around the world. Today, Rotary proudly holds the highest consultative status offered to non-governmental organizations by the UN's Economic and Social Council (UNESCO).

You are further invited to attend a special presentation featuring Past Rotary International President Raja Saboo. Hosted by the Rotary Club of Johns Creek in conjunction with District 6910, RPIP Saboo will share an important message on Rotary and World Peace.

**Date:** February 23

**Time:** 12:00 Noon

**RSVP:** Sign up on DACdb [\[link\]](#)

This is a rare opportunity, so please take advantage!

District recently announced that the Fun in the Sun District Conference planned for Jekyll Island will be held virtually. Rest assured, our dynamic team is putting together what will be the best virtual conference under the sun! Stay tuned for the details!

**More on LOVE** is coming from Interact via their latest challenge: Letters with Love. Their clubs will be writing to those confined to nursing homes and assisted living facilities. Get in touch with Jeremy at [interact6910@gmail.com](mailto:interact6910@gmail.com) for more information about this heartfelt program.

### Rotary Peace Fellowship

We commit \$25,000 per year to support Rotary Peace Centers around the world. Rotary Peace Centers provide training, advance educational opportunities, support academic interactions and promote greater tolerance and cooperation. Currently there are six centers located in Japan, England, Australia, Sweden, Thailand, and in North Carolina (Duke/UNC Chapel Hill) here in the United States. Peace Centers offer master's degrees and professional development certificates in fields related to peace studies and conflict resolution. Selection criteria to be accepted into

one of these programs includes demonstrated leadership skills, commitment to peace and international understanding and related career goals. Those pursuing the master's degree must have an undergraduate degree and at least 3 years of relevant work experience. Those seeking a certificate must have at least 5 years of relevant work experience. In January each year Clubs and Districts work to recruit applicants. By June interviews and selections are complete. The Rotary Foundation processes applications June-September and in October final Peace Fellows are chosen by a selection committee

## District Committees ♦ What Are They and Why Should YOU Consider Serving?

By Brandy Lynn Swanson on Friday, February 5, 2021

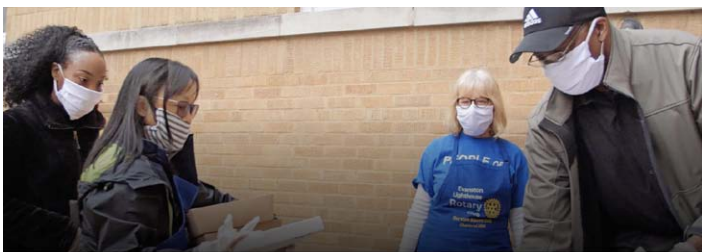

*Rotary District 6910 exists to SERVE the Rotary clubs in North Georgia.* Districts are a resource, a partner to help each individual club reach ITS goals and aspirations for its local community. You are an active member of your club. You are busy making your community better, so why would you consider a role at the district level? Your involvement will make you, your clubs, and all the clubs in our district better, which makes our communities and, ultimately, the world better.

Using your gifts, talents and vocation at the district level gives clubs additional resources, ideas, and help that, in return, helps YOUR club and all the clubs in our district. My grandmother used to say, ♦Many hands make light work!♦ Meeting other Rotarians, while sharing ideas and resources, makes us wiser and more effective in accomplishing our goals with manageable workload.

Please consider using YOUR gifts and talents in one of the following areas. Let Tina Fischlin, Mike Berg, Gerry Taylor, or me know if you are interested in serving. SEE THE LONG LIST OF OPPORTUNITIES:

## COVID-19 Grants & Disaster Relief Funds

By Kimberly S Reynolds on Sunday, January 3, 2021

COVID-19 has affected communities throughout the District and many clubs have experienced unique challenges.

### COVID-19 Grants

Did you know The Rotary Foundation has included COVID-19 in grant options for 2020 ♦ 2021? District grants can be used to

support local activities such as purchasing thermometers, protective medical gear, or other needs to assist medical professionals. Global grants are available as well with a few modified stipulations. Find out more: <https://my.rotary.org/en/take-action/apply-grants>

### District 6910 Disaster Relief Funds for COVID-19 Assistance

Additionally, the Rotary District 6910 Board of Directors voted to move \$79,500 of unrestricted reserves to the Disaster Relief account in May in response to the COVID-19 pandemic. The treasurer distributed these funds to clubs as a part of a program to support Membership Retention during the pandemic.

How has your club used Disaster Relief district funds or grants to assist your community and/or club? If you have not yet applied for a grant, be sure to read about grant options for COVID-19.

## The Opportunities Rotary Opened In 2020

Monday, February 1, 2021

**Edited by Peter Gleichman,  
District Community Service Chair**

As the COVID-19 pandemic continues to impact all of our lives and we approach the one-year anniversary, District 6910 Rotarians turned challenges into opportunities for Service Above Self. Here's what some of your fellow Rotarians noted about how their clubs pivoted and moved ahead:

**Debby Ciccone, President Nominee of the Rotary Club of Towne Lake**, shared these observations: "Our club also had many new opportunities this year. We had the biggest inter club food delivery program with the Farmers to Table program this past August. Our eyes were opened to the food/hunger needs in our Cherokee County community and performed more food drives than we have in the past."

By Sallie Boyles on Wednesday, January 27, 2021

In 2008, the Rotary Club of Greene and Putnam Counties began tackling the problem of food insecurity on the local level by identifying sources of perfectly good food that would have been tossed out but was instead collected by the club and donated to charitable organizations. Monday, February 1, 2021

By Peter Gleichman,  
District Community Service Chair

By the time February rolls around, many of us find ourselves in the doldrums wishing to do something to make ourselves feel better. How about the feel-good experience of helping others? There's certainly no shortage of those service opportunities during the COVID-19 pandemic.

One of the service themes that has caught on in District 6910 ever since it was rolled out across Zones 33-34 is **Rotary Has Heart**, held in conjunction with Valentine's Day as a way to show our community that we care about them. One of the most popular service projects that Rotary clubs perform for this is a food drive or food donation—something there's still plenty need for during this time of rampant food insecurity across our District and the State

of Georgia.

2020-2021 District Conference Service Project

Pivoting-Adjusting-Adapting

We are still a go!

The Conference may be virtual, but our communities' needs still exist!

Your District Leadership Team is quickly seeking the necessary approvals required to adjust the plan and continue utilizing the grant dollars awarded for the District Conference Service Project.

Rather than distribute to the students located in the greater Jekyll Island area, our plan is to empower clubs to distribute backpacks in THEIR communities.

Clubs will apply for Matching Grant Dollars to secure backpacks and school supplies. We also have a surprise BONUS planned!

As soon as we secure the needed approvals and finalize the details, we will be announcing on social media and communicating directly with club leadership.

The timeline goal is:

February: Apply for grant

March: Secure backpacks and supplies ♦ Video your *FUN* ♦ Distribute to YOUR Community

March 31<sup>st</sup>: Last day to submit your *FUN* videos for our *FUN* contest to be revealed during Virtual Conference

Our timeline is tight ♦ but we WILL make it happen! Stay tuned for updates!
