This Week's Meeting

I hope everyone enjoyed our field trip to the Middle Georgia Regional Airport last week. We will continue to have those occasionally as opportunities to visit interesting places in our community arise. This week, we will hear from Georgia Public Service Commissioner Tim Echols about Georgia's Energy Future. Given everything that is happening in the world right now and affecting energy costs, this should be a very interesting program!

We also will have our Board Meeting since we had to postpone it last week, and all are welcome to attend.

Hope to see you all Wednesday!

Upcoming meetings:

August 3 – Assistant Governor Amy Maley will present District Governor Heather Kellen's goals for this year

August 10 - State Senator John Kennedy

August 24 - Kyle Wingfield with the Georgia Public Policy Foundation
