This Week's Meeting

Well, it becomes official this week! Come one, come all to see the fool (I mean new president) sworn in... but be forewarned, the bad jokes will continue regardless of whether or not morale improves! Seriously, thank you all again for your confidence and I will do my utmost to make the next year interesting and fun. Hope to see you all on Wednesday.

Highway Clean-up this Saturday

Please plan to join us this Saturday, July 16th, at 8 AM for a highway clean-up project. According to those who have participated in the past, we probably should call this a treasure hunt - you know, someone else's trash yesterday is our treasure today.... We will meet on Coliseum Drive across from the Centreplex and see who can find the most interesting item. There may even be a prize!

Upcoming meetings:

July 20 – Field Trip! We are going to the Middle Georgia Regional Airport to get an update on changes taking place there (and there are lots!)

Important note - the restaurant at the airport will be providing our lunch so we need to know how many people are coming. Please RSVP to me at robertbedwards@cox.net no later than Friday.

Amy Maley
Assistant
Governor

Charles E. Richardson
Immediate Past
President

Also, we will have our Board Meeting that day as well and all are welcome to attend.

July 27 – Georgia Public Service Commissioner Tim Echols

August 3 – Assistant Governor Amy Maley will present District Governor Heather Kellen's goals for this year
