Macon Beer Festival

Reaching men through the universal language of beer!!

We have a secret

The Macon Beer Festival is not a festival - It's a health fair! We just disguised it as a beer festival - It's a party for a cause! Our goal is to promote awareness and education of prostate cancer to the community through the universal language of beer. We are able to do this through our partnership with Pint for Prostates!

Annually, we offer a free blood test, valued at \$700, to any male over the age of 40, unless there is a history of prostate cancer in the family, and we'll test earlier. If you get tested, you'll get three FAST PASSES to head to the front of any line!

As you all know, this is one of our club's signature service events and it takes over 200 volunteers to put it on, so please come help and be a part of the fun on October 22nd! Work a 2-hour shift and then stay and enjoy the music and food!
