Rotary Meeting - Location & Details

This Week's Meeting

Our speaker this week is Dr. Eddie Betcher, Chair for the Department of Obstetrics and Gynecology at Atrium Health/Navicent Medical Center. Dr. Betcher is one of the earliest adapters of robotic surgery for gynecology and also performs traditional minimally invasive surgery. He is involved nationally within the minimally invasive gynecology community and speaks, teaches, and researches ways minimally invasive surgery can treat benign gynecologic conditions such as fibroids, ovarian conditions, tubal disease, endometriosis, pelvic pain, and uterine anomalies.

Georgia Sports Hall of Fame

District Conference

April 27-30 2023
Join the DISTRICT STARS
as we celebrate a year of
DREAMING BIG!
Callaway Resort & Gardens

You and your family are invited to the District Conference, and it's going to be so much fun and even more inspirational! Here are some of the fun things to do:

+ "Jaws" Polio Plunge

Friday night Rotarians are going to be "freezing for a reason." If there is someone (like DG Heather Kellen) that you want to see jump in the lake, here is your opportunity. Rotarians are encouraged to purchase some "fish food" by paying to see their favorite Club or District leader swim with the fishes.

+ "Chariots of Fire" Fun Run

Meet DGE Felix Smith in the Lodge Lobby for an exhilarating start to your Saturday morning with a light run through Callaway.

+ "Fast and Furious" Car Show

Do you have a hot rod, classic car, something new, modern, or unique? Enter the Fast & Furious Car Show! Email Conference Chair, Erin Andrews (erin@marketinggeorgia.com) with the year, make and model, and a little about what makes your car unique. Entries will be given preferred parking at the Lodge and some fun goodies. Awards will be based on People's Choice.

+ "Caddy Shack" Golf Outing

Tee times are being scheduled and space is limited. If you would like to participate please email Conference Chair, Erin Andrews erin@marketinggeorgia.com. A minimum of 16 participants is needed to hold this event.

+ "The Butterfly Effect" Garden

Flutter on over to Butterfly Garden and witness the beauty of nature up close! The living, glass-enclosed gardens are home to REAL BUTTERFLIES that fly and grow each day.

+ "The Secret Garden" Tours

There are a vast variety of gardens and trails designed to let you escape into the heart of nature. Rent a bike or bring your own and explore the gardens.

+ "The Birds" of Prey Presentation

Join us in the Discovery Amphitheater to see the birds that appear at each program, swooping overhead and giving guests an up-close look "on the glove."
