### Rotary Meeting - Location & Details

#### This Week's Meeting

Our speaker this week is our member and County Manager for the Macon-Bibb Government, Dr. Keith Moffett. Keith was born and raised in Macon and graduated from Northeast High School. Upon graduating, he enlisted in the military, serving as an Electronic Technician, working on submarines in the U.S. Navy. After serving for eight years, he returned home and graduated from Macon State University, now Middle Georgia State University. After interning for the Georgia Department of Economic Development, he earned a position as a Regional Project Manager. Since then, he has worked for Macon-Bibb in various positions, including Director of the E-911 Operations Center, which was named E-911 Center of the Year for Georgia in 2015 under his leadership. Dr. Moffett was the County Manager for Butts County before returning to Macon-Bibb County in 2018 as the County Manager where he oversees 21 county departments with an overall budget of \$550 million dollars.
