

MARK FAAS

CEO, Point to Point Environmental

Point to Point Environmental, Inc., is an environmental consulting firm based in McDonough, GA that strives to provide turnkey

environmental services throughout the southeast. Mark has 24 years' experience in environmental consulting and is proficient in conducting environmental assessments, monitoring and remediation of contaminated air, groundwater, surface water, soil, and soil gasses and vapor. Mark also has extensive experience in completing subsurface investigations, environmental site assessments, managing environmental compliance and emergency response, and in resolving regulatory compliance issues.

Mr. Faas has completed environmental corrective action activities for over 1,000 hazardous waste and petroleum sites a variety of physiographic regions.

Mark graduated from the University of Georgia with a B.S. Environmental Health in 1999 and has continued his education and professional development at institutions including the Georgia Tech Research Institute and Interstate Technology and Regulatory Council.

Rotary members are working together to solve challenges in their communities and around the world. From disaster response to clean water access, this work is powered by The Rotary Foundation and donors like you.

Please bring canned foods to our meetings during June in support of J.O.Y. Foods. This is a ministry of the Laurens Baptist Association help meet the needs of low-income families in Laurens County.
