PROGRAM

Clift Crews and Sonya M. Calvin Dublin-Laurens Land Bank A Joint Authority of the City of Dublin & Laurens County, Georgia

The Land Bank Authority was created through an intergovernmental agreement between the City of Dublin and Laurens County. Organized and operating under the state laws of Georgia, there is a board of directors that oversees its operations.

Authority is a separate entity created to acquire vacant, abandoned, blighted, tax delinquent properties and assist in the return of the properties to a productive use.

The Authority works in a collaborative effort with local government, neighborhood communities, non-profit and private developers to assist in the revitalization of neighborhoods, supporting the increase of property values, and stabilizing the real estate market through strategic property acquisition, disposition, land use, management, and redevelopment of underutilized properties.

Our mission at the Dublin-Laurens Land Bank Authority is to restore vital neighborhoods by eliminating blight, creating community stabilization and appreciation, forming dedicated community development partnerships, and presenting affordable housing opportunities while promoting socio-economic growth for all citizens in Dublin-Laurens County.
