Artificial Intelligence

What is Artificial intelligence, or AI? Simply stated, it's the ability of machines to perform tasks that are typically associated with human intelligence, such as learning and problem-solving, but it has sparked controversy and even fear. Learn more this Monday from Jimmy Puckett, CEO of IT company Spinen.

ShelterBox in Action

In the August 28 edition of *Throbs*, it was noted that our club has donated \$1,000 to purchase a ShelterBox. ShelterBox is an international disaster relief charity that provides emergency shelter and other aid items to families around the world who have lost their homes to disaster or conflict. These items, including a tent, are packed into one box, hence the name. The organization has partnered with Rotary since their founding in 2000.

The story in *Throbs* prompted member Nancy White to send in this picture she had just taken on a trip to northern Hunza, Pakistan. So, here's a ShelterBox in action!

Maui Relief Fund

Hawaii Rotary District 5000 has launched the Maui Fire Relief Fund and encourages others to support the efforts of the local Rotary District in providing relief. You can make a donation here:

Do you have a recent accomplishment? Have your or your organization won an award or otherwise been recognized? We want to know, and to recognize your achievement at a meeting. Please email Gary Wheat, our Vocational Service Chair, at gwheat@visitmacon.org

HOW TO MAKE UP MISSED MEETINGS

Please make up missed meetings to help our club's attendance percentage rank with District 6920 and Rotary International. Our attendance is reported each month to the district and is required to be reported before the 15th of the following month. **Members are required to maintain an attendance average of 60%.** Missed meetings must be made up **14 days before or after the meeting you miss.**

See list above of approved makeups. You can make up from the comfort of your home or office online at <http://rotaryclubone.org/> They will email a notice of the makeup to the Club Administrator and you will be credited. Also, attendance at another Rotary Club is a good option when you are traveling!

When you make up using the **Zoom link** of our meetings listed in meeting summary above or makeup in person at another club please send an email immediately afterwards to the Club Administrator, steve@eggmedia.com so your makeup can be recorded. Do not expect the club you visit to report to our club.

Excused Absences

Members have the opportunity to receive a board approved Excused Absence during a long-term family, health, or business crisis. When a member realizes they have a situation that will keep them from attending Monday meetings for an extended period they can contact the Club Administrator or President with the reason. This contact needs to be immediate and not after the crisis. The board can approve a beginning and ending date and attendance is excused on club and district level. Short term absences are best made up online.

Club Membership Applications

We are purpose-driven leaders of influence and action. To sponsor a prospective candidate to join our membership, contact Membership Chair Charles Olson EOlson200@msn.com or any member of the Board of Directors to ensure a vocational classification is available for your candidate. Once the Classification Committee approves the classification, invite your new member candidate to a weekly meeting. If the candidate expresses interest in joining our club, then ask Membership Chair Charles to send the candidate an invitation to apply online. Once the new member candidate completes the application, Board members review the application. Then, new member candidates are presented for formal approval at the monthly Board meeting. Once approved by the Board, new member candidates are announced in Throbs. Unless there is objection by any existing member, the new member is scheduled for orientation and formal induction. All members of our club need to think about who would make good Rotarians!
