TODAY'S SPEAKER

Bobby Long
 Co-founder/ Vise President of Middle Georgia Honor Flight

Bobby Long is the Co-founder and Vice President of Middle Georgia Honor Flight from its inception in February 2018 to date. In addition, he is currently the Security Assistance Program Manager for the Australian C-17 Fleet under the US Foreign Military Sales Program. Prior to that, he was a Program Manager to several turbulent Middle Eastern countries under the F-16 FMS Program. Mr Long is a retired USAF Chief Master Sergeant with 31 years of active duty experience on multiple platforms to include C-130, C-141, C-17, KC-135, KC -10, F-15, F-16, and B-1 aircraft. Notable campaigns during his career include Vietnam, Panama, Granada, Desert Storm, Iraqi Freedom and Enduring Freedom.

Middle Georgia Honor Flight (MGHF) is a non-profit 501(C3) organization whose mission is to enable aging and terminally ill US WWII, Korean, and Vietnam era veterans to visit the memorials of armed conflict in Washington DC - at no cost to them. It is the newest hub, established in February 2018, of the Honor Flight Network which is made up of approximately 135 hubs located within 47 states.

MGHF initiated its inaugural flight on 8 September 2018 from the Macon airport with twelve WWII, Korean, and Vietnam veterans from the Warner Robins area. Future flights have been contracted with Contour Airlines for 16 March, 6 April, and 18 May 2019 with another two tentatively scheduled for September and October.

MGHF board of directors is made up of Military Veterans and Robins AFB employees who bridge the gap between generations with shared military conflict experiences. In addition, sponsors currently consist of Boeing, Contour Airlines, the American Legion post 172 and the Central Georgia Marine Corps League detachment 1373.
