Announcements

So, to tell you a little bit about me, I first of all love people and love to help people. I worked at the City of Tifton for 20 years, transferred to the Tifton Fire Dept and worked 10 years where I retired from. God literally placed my Aire Evac job in my lap, I could have retired a year before I did, but didn't. Loved working with the FD staff and their families. When I accepted this Membership Managers job, it's just another way of reaching out into our communities and helping people. I have been with AE for 3 years. I have a daughter who barrel raced and I had purchased the membership many years ago. By working at the FD, I also saw how many times our helicopter service was needed/used. So here I am today working for the best company ever, sharing the membership program so individuals and families that have the membership have a financial peace of mind in knowing they don't have any out-of-pocket expenses if they are flown by us.
