## TODAY’S SPEAKER

Kate Lewis  
 Owner, Speech Path

Kate Lewis, the owner of The Speech Path, is from Nashville, GA. A graduate of Georgia Southern University with a degree in Banking and Finance, Kate now lives in Perry. After working for Total System Services in Columbus, GA for nearly a decade, Kate moved to middle Georgia with her family to open Southeast Electrical Supply. A past and current Board member of the Perry Area Chamber of Commerce and a past member of the Board of Trustees of the Westfield School, she has now lived in Perry for 15 years. After joining The Speech Path as Company Administrator in 2009, Kate eventually purchased full interest of the company becoming the sole owner in 2016. Since then, Kate has worked to raise awareness of the needs of the children in middle GA and other rural parts of our state. A member of the Advisory Board for the Middle Georgia State University Occupational Therapy Assistant Program, Kate collaborates with area organizations to improve access to resources available for children and therapists who serve them.

Congratulations to our Perry High Interact Club on the induction of new officers and members!
