Pick Your Square and You Could Win a Paul Harris Fellow

Who will be playing in the Super Bowl is still unknown, but here's a sweet deal. Buy a square, or a few, and you could get your first or your next Paul Harris Fellow. BUT, you must enter the contest to win ... squares are \$10 each, and the process is completely random until all 100 squares are drawn. After that, numbers are drawn randomly for the rows and columns, and your numbers become known. Click the following hyperlink (<https://superbowlpoolsite.com/contest/467667?p=SSROTARY>), scroll down to the squares, select the square(s) you want, and enter your name. Doyle Kelley will bill your account for the appropriate number of squares, or you may bring cash to a club meeting. If you have issues using the online format, please let [Max Greenberg \(mgreenberg@altrius.us\)](mailto:Max.Greenberg@altrius.us) know and we can manually include you, but your square(s) will be chosen at random. All funds raised will benefit [The Rotary Foundation](#). Special thanks to Jazmine Spicer and Maliece Whatley for helping with this.

Cordeiro to be aide to Sylvia Whitlock, PhD

Sylvia Whitlock is one of the speakers for our Rotary District Conference. Whitlock was the incoming Duarte Rotary president when the United States Supreme Court issued its landmark ruling against the exclusion of women in service clubs. She is the first female Rotary Club president and Anne Cordeiro has been asked to be her aide for the Conference. Anne will meet her in the Atlanta airport, assist Sylvia during her time at the Conference, and get Sylvia safely on her return flight. You can learn more about Sylvia in this short [YouTube Clip](#).

2023-24 presidential theme announced

Reprinted from Rotary in Review, Jan. 13 edition, a Roundup of Rotary News

Rotary International President-elect R. Gordon R. McNally revealed the 2023-24 presidential theme, **Create Hope in the World**, during the International Assembly in Orlando, Florida, USA, 9 January. McNally, a member of the Rotary Club of South Queensferry, West Lothian, Scotland, asked members to restore hope by helping the world heal from destructive conflicts and create lasting change within ourselves. McNally told

attendees he plans to make mental health a focus and emphasized continuity in advancing the goals of previous leaders, including empowering girls and eradicating polio. [Read more about the presidential theme](#)
