Rotary News for February 6, 2025

By Beth Brownell

President Tom led the Pledge and Sue offered the invocation.

On Friday, the Madigan family increased by one! Welcome Ava!

Thank you, Sue, for organizing the social event at the Elliott. There was fellowship during lunch and lots of discussion during the tour of the UFO exhibit.

Thank you, Kathy, for the corn!

HB announced the date for the Honor Flight presentations at the local high schools. On Wednesday, March 12, club members may join HB at Martin County, South Fork and Jensen Beach High Schools. Contact HB if interested.

Kathy is taking donations for Polio Plus through the end of the month. Either give her a check or donate online to help stamp out this preventable disease. We are SO close!

Unapproved minutes of the January 30 Board of Directors meeting are available for member review. Contact Beth if you'd like a copy. Members are encouraged to help out with any task or project the Board is working on.

Happy Dollars were given by Hap as Cindy is consolidating furniture in their house. Tom W. is happy about the involvement of the marine industries in the local business environment. He is also the exclusive yacht broker for Indiantown Marina. Thanks were given to Bryanne for cleaning the ice cream machine, so it is no longer noisy. Sue apologized for missing Sunday's event at the Elliott as she accidentally double booked herself. Linda has started planning a fall family wedding. Mike C. has been a club member for 10 years. Gene is happy that the scholarship application reviews are complete. Nils is starting an entrepreneurship program at a preschool program!

Nils won the 50/50.

William Corbin, Executive Director, Business Development Board of Martin County

By Beth Brownell

A certified economic developer, William Corbin has helped stimulate hundreds of millions of dollars of diversified commercial development in various municipalities.

The vision of the Business Development Board: To foster a strong Martin County economy characterized by a diversity of businesses and a growing and sustainable tax base.

The mission: To lead economic development by supporting local contributory businesses, attracting investment and fostering job creation.

The Board is focused on manufacturing businesses that create high-paying jobs, not retail or service

businesses which are in the purview of local government. Manufacturing businesses pay taxes, as do their employees. A diverse tax base is critical for the financial stability and growth of the county and creates a good family environment. Legacy businesses in the county are in aviation, marine and advanced manufacturing.
