Stuart Sunrise Rotary Meets Jointly With the Stuart Noon Club

By Harry W. Lerch on Thursday, September 12, 2019

Fellow Rotarians:

We had no meeting on Thursday, September 12, 2017, but joined with our fellow Rotarians at the Stuart Club luncheon at the Dolphin House and Shrimp Bar. So many Sunrise Rotarians attended that additional tables had to be set up. The program was a reinforcement of the Sex Slavery presentation which we experienced a couple of weeks ago, but with more details. A true ♦wake up♦ call.

President Brian Moriarty♦s message:

♦It was truly an honor to have a joint meeting with our wonderful neighbors at the Stuart Rotary Club on September 11, 2019. President John Hosler and his team were extremely gracious and made our club feel right at home. We look forward to doing many joint service projects with these fabulous people, and hopefully host their club for another joint meeting.

Francine Beckstead, Stuart Rotary Club member and the local Barn Theatre♦s administrative vice-president, entertained us at our joint meeting with a preview performance from their upcoming musical ♦Beauty and The Beast.♦ Performing for the group were Collin Salvatori, the Beast, and Tracy Zack, Mrs. Potts (the tea cup).. The Barn Theatre is in their 49th season and if this was a preview of the big show, it should be amazing! ♦

Tickets for Beauty and the Beast are \$45 for adults and \$15 for children and are available on line. There will be three Saturday matinees, on the first three weekends in October. Ideal for bringing grandchildren to meet Belle. The costumes are those from the original Broadway Road Company! A rare, unique opportunity.

Our Golf Tournament will be Friday October 4 at Monarch Country Club, with all the great benefits and prizes. Our 2nd Annual Water Forum, with Brian Mast, Jacqui Thurlow-Lipisch, Gail Harrell, and representatives from the Oceanographic Society, will be Saturday October 5 at the Downtown Riverwalk Stage in Stuart.

See you this Thursday
