Rotary News for August 17, 2023

By Beth Brownell on Thursday, August 17, 2023

The Pledge was led by President John and Sue provided the invocation.

Lisa Raiche will be transferring her membership to the club. Welcome Lisa! Her induction will be next month.

Saturday August 19 9AM-1PM is the inaugural Market at Newfield Farm, with live music and the Fork in the Road food truck. The farmers market will be held every third Saturday.

The Palm City Chamber of Commerce networking breakfast is August 30 7:30AM at Monarch Country Club. Going forward, the club would like to have at least 2 members, armed with Be My Guest cards to spread the word about the club, with the goal of inviting people to a Discover Rotary session and eventually to membership.

On the tables were lists of prior members who left the club within the last ten years. Members were asked to contact those who they think may be interested in attending the August 31 event or a meeting. A summary of the Corporate and Young Professional memberships was also provided.

The sign up sheet for the August 31 5PM-7PM social event at Manero's was circulated. Please contact Beth if any additional attendees are expected. Thanks to Mike C, Rex S, and Linda W for sponsoring the appetizers!

A Mapp Rd clean up is scheduled for September 23, time TBD. Dr Bonds would like Interact members to participate and if they do, it may be a 9AM start. Stay tuned.

Members who would like to donate to the Maui Relief Fund set up by Rotary District 5150, can do so by using this link. [Rotary Maui Relief Fund](#) You may have to click on a second link to get to the District donation page.

Happy Dollars

Kathy spent 9 days caring for her grandchildren. Linda's son became engaged and gave a ring that was made with a family emerald. Lisa and her sister traveled to MA to celebrate her grandmother's 100th birthday. John R hung out next door as his AC broke. HB reminded the club the JROTC students will be visiting soon after they participate in the Honor Flight. Gene finished a project and now has more. Mike's tractor was repaired. Tom W looks forward to football and is pleased that his pool and hot tub are repaired. He challenged club members to a bocce tournament, with proceeds going to the winners' charity of choice. Rex enjoyed a trip with his grandkids and looks forward to time at his cabin. Chris misses his niece's presence as she is in college. Sue won a golf tournament and was exposed to COVID, but is glad she tested negative. Sue encouraged members who have acquaintances who work for big companies with a local presence to please invite them to the August 31 event.

The 50-50 was won by Lisa!

A Rotarian in the Sales Business

By Beth Brownell on Thursday, August 17, 2023

Member Tom Whittington outlined how he applies the 4 Way Test in how he conducts his business. It starts with 'Is It the Truth'. The approach is in line with how his faith drives how he deals with people. The Golden Rule and the 4 Way Test provide a

framework for: What's in your heart and mind? How to brand yourself. What are your actions?

Telling people you are a Rotarian, wearing a Rotary pin, using Rotary branding in his office as conversation starters and communications provides an expectation for everyone's behavior.

What are your actions? The testimonials of clients attest to the fact that Tom walks the walk in how he conducts his business. Club members know that his actions as a Rotarian demonstrate the best of the 4 Way Test. As a result of the paths he has traveled, Tom says his life has exceeded his expectations.

Tom thanked Butch Bayley for introducing him to Rotary and Sue for keeping him involved.

One thing he knows: he is a Rotarian.
