Eco Friendly Year 2024-2025 The New Year

President Sam Bourgeois

By Ailish Nic Phaidin

Hearty welcome to Sam Bourgeois our new President (who is today sitting having a picnic with his family in the garden the Eiffel Tower). Sam was our speaker today who outlined his goals for the club for the next year. Not forgetting our esteemed Past President, Denise de Prouw, a very big "THANK YOU" for a great job last year – and also congratulations on your fabulous news.

Kiss the Ground Documentary

Our speaker on July 30 will be Marcy Ullom, who is very involved at high levels in Rotary. She is a member of a virtual club in the district south of ours (Miami area) and has some ideas about collaborating and helping grow our club and involvement. Meanwhile, she will be facilitating a discussion of a documentary called Kiss the Ground. It's from 2020 and about reversing Climate Change. You can watch it on Netflix free if you have a subscription or AppleTV/Amazon Prime/Google Play for \$3.99.
