NEW BOARD INSTALLED

By Thomas F. Campenni on Saturday, July 9, 2022

Our new board was installed at the July 6, 2022, meeting.

Past-President John Hosler did the honor of swearing in the new board. The outgoing president, Kathleen Crumb, gave a few words thanking everyone for the last year. After the installation, Tom Campenni, president for 2022/2023, had a brief message for the membership. He stressed that the Stuart Rotary Club had seen several challenges in the past few years and could be in for some others moving forward.

The new board is as follows: President Tom Campenni, Immediate Past President Kathleen Crumb, Incoming President Bernie Roy, Vice President Dave Albers, Secretary Pat Tobin, Treasurer Howard Meister, and Membership Chair Sharon Williams.

JULY PRESIDENT'S MESSAGE

By Thomas F Campenni on Saturday, July 9, 2022

I am looking at this next year with both dread and hopefulness.

I believe this will be a pivotal year for the club. Like many clubs in the U.S., we have an aging membership and an apparent lack of ability to bring in new members. Two factors that may prove decisive in whether we move forward.

What we have done is devise a plan that may prove our salvation. If Sharon Williams and her committee can bring motivational and business-like speakers to our club assembly, there is hope that the club can be revitalized with others that would like to hear such a program.

Our dictionary project, which is being spearheaded by Bernie Roy, will continue to be one of our projects. The other domestic project will be our involvement with the Banner Lake/Dunbar community. As to our international project, we will work in Guatemala once again. Bernie is involved but it would be great if we could have one more Rotarian from the club.

As I stressed before agreeing to be your president, I am not a one-man band. If the membership as a whole does not step up, then what we will be is a lunch club. While there is a facet of Rotary in that type of fellowship, there is more to being a Rotarian.

So, if you have an idea for a fund raiser please let me know but only if you are willing to be part of the implementation. If you want us to get involved somewhere, also let me know. Again, only if you are willing to be the organizer.

Without all our members participating, our Rotary club may cease to exist.
