## District Governor Visits Club

By Thomas F. Campenni on Monday, September 26, 2022

District Governor BuckVocelle visited our club last month.

His easy-going style was well accepted. His plan for the year is to make us the best we can be. The club appreciated his approach, which was to have some fun and interact with other clubs. I think there is something there for all of us.

Blake Fontenay, Martin and St Lucie Counties' opinion writer for TC Palm gave us a treat by speaking about the future of newspapers. He is very upbeat and believes that there will always be a place for print journalism. There was extensive questions from the club. Another good speaker.

The Stuart Rotary Club has embarked on our first day of reading to the children at Dunbar. Kathleen Crum, Pat Tobin, Tom Campenni, and Faye Flack were the initial readers.

This is part of Stuart Rotary's commitment to Dunbar/Banner Lake to make several aspects of the community our premier project for this year. Faye is our point person with the school and community. She is working diligently in pursuit of creating a well rounded program that both Banner Lake and Stuart Rotary can be proud of.

Each member should sign up with Faye to go to Dunbar School to read to the kids. The club is scheduled to go once a month and we need four readers each time.

## President's Message

By Thomas F Campenni on Monday, September 26, 2022

Stuart Rotary is entering a critical time in our existence.

Sharon Williams has been working tirelessly with Faye Flack to bring new members to our club. Even though Sharon is on leave, she is still attempting to make a success of the recruitment effort. Beginning in November, you will see speakers that are more interesting to a key group, business owners and executives, that we are trying to attract. If we do not increase membership, Stuart Rotary may go the way of so many other clubs.

Our Christmas Party will be at Philly Down South on December 7th. There will be no lunch meeting that day. You will be receiving a credit. Carolyn Michaud is the chair. She is putting together a basket of cheer with the proceeds for the Banner Lake community.

That night we will also have our raffle that Howard and Bernie are spearheading. Each member will be responsible for 20 \$10 tickets. It is important that we sell more than that each to be successful. 1st prize is \$2000 and the 2nd prize is \$1000.

More to follow.

# Puppets & Statues

By Thomas F Campenni on Monday, September 26, 2022

To make up for the lack of a speaker at our last meeting, we had two at our August 31st meeting!!!

The Barn gave us a preview of their "Avenue Q" production. It was well received by the smart luncheon set, which is Stuart Rotary. At the same meeting, our speaker from last week, who could not make it, Edgardo Gomez explained his sculpture process.

The Arts were well represented at the Stuart Rotary.
