Meeting Speaker -- Mac Kemp

(In person in hotel Ornate Ballroom with RSVP and online via Zoom)

Mac Kemp, MEd, EMT-P, is chairman of Honor Flight Tallahassee and deputy chief with Leon County Emergency Medical Services.

Honor Flight Tallahassee was born within the ranks of Leon County EMS during the summer of 2010 after taking its cues from other hubs in South Florida that were started by EMS agencies. To learn how LCEMS might make Honor Flight a reality in North Florida, Mac was sent to the 2010 Honor Flight Network Annual Conference to gather information.

Energized by what he experienced, Mac and the LCEMS team submitted a proposal to the County Administrator who approved the undertaking. The project was then presented to the Leon County Commission who motioned the approval unanimously. The work had just begun.

On May 11, 2013, the first planeload of well-deserving military veterans made their way to Washington, D.C. Since then, subsequent flights have been made on an annual basis. ♦Our efforts are a very small token of appreciation for those who courageously served our nation.♦

Congratulations, Sunrise! Our Club *maintains* its third-quarter lead in the Foundation Cup competition. **Sunrise is the No. 1 Large Club in the District for per capita giving to the Rotary Foundation's Annual Fund.**

At the end of March, Rotary Clubs set a District 6940 record for TOTAL Giving to The Rotary Foundation: \$540,651 with the final quarter yet to come in our Rotary year.

District 6940 now has our very first Arch Klumph Society Member (\$250,000+) and several new Major Donors (\$10,000+). Also, the District celebrates a record number of Paul Harris Society members. District 6940's Polio Plus giving already exceeds last year's giving.

Thank you, Sunrise. Your gifts to the Rotary Foundation make the world a better place to live, work, and play.

Sponsor of the Month

Scott McLuckie, WestScott Construction

The vision for what would become WestScott Construction began in 1976 when president Scott McLuckie became a basic carpenter's helper in high school. Scott went on to become a site supervisor while in college at Florida State University. Continuing in his passion for construction, Scott became a licensed General Contractor.

Those who do business with WestScott Construction know that we communicate often concerning the status of each project. We work hard to be accommodating to any project changes that come up during the course of a construction project. With years of experience, there isn't a request out there big or small we haven't already handled.

WestScott Construction only hires professional employees and subcontractors with a proven track record that reflects WestScott's reputation.

WestScott Construction provides the talent to incorporate innovative ideas with regard to design and space into each project.

Scott McLuckie's passion and pride of the construction trade is the cornerstone of WestScott Construction. Additionally, his strong belief in giving back to the community through volunteer works is one of the many reasons why Tallahassee

residents and business owners trust WestScott Construction Inc. as their preferred General Contractor and construction service provider.
