Meeting Speaker -- Bill Marvin

(In person in hotel Ornate Ballroom with RSVP and online via Zoom)

Bill Marvin is from Geneva NY and got his BS/MS from the Fla. Institute of Technology in 1973. He retired from the Governor's Office in 2002. His outdoor career started at the age of 8 when his father took him for a 150 mile canoe trip through the waters of Hudson Bay living off the land they moved through the wilderness. He has hunted fish and dove throughout most all of Canada, the lower 48 states, the South Pacific and the Caribbean and continues to do so now. Bill is also an avid wildlife photographer and decorative decoy carver.

Bill spent many years hunting with the U.S. Supreme Court Justice Antonin Scalia, and that is what he will talk to us about.

RIP Fred Addonizio, Loved by All

Thoughts from Donna Smithey

Stand up, Fred! Sunrise Rotary's term of endearment was shouted when Fred had the floor. He smiled and laughed along with us. Fred was one of the kindest, most extraordinary men I've ever met. He was my friend since the early 80s starting with

The Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned

TIPS Club and then joining Sunrise in 2007.

He could be found in a Sunrise skit, Rotary Youth Camp or any other project where help was needed. He was a master in the kitchen cooking for friends, family, coworkers and strangers. I found myself amazed when he and Dan Holloway were excitedly talking about their new dehydrator/food sealing machines and how I needed one! And always that twinkle in his eyes, those big hugs and kisses, those funny voices and wisecracks, that smile, that laughter.

Rotary loved him. His friends and family loved him. His coworkers loved him. His customers loved him. (And definitely the flooring industry loved him!) And he loved helping people. Fred could help you even when you didn't think you needed help (but later found out you really did.) He has helped countless numbers of people with their careers, their home life, and their tragedies. Small in stature but quite a presence, he focused on others first with a heart of gold. So we will miss saying, ♦Stand up, Fred♦. ...but you♦ve always stood taller in our eyes!

Sponsor of the Month

Scott McLuckie, WestScott Construction

The vision for what would become WestScott Construction began in 1976 when president Scott McLuckie became a

basic carpenter's helper in high school. Scott went on to become a site supervisor while in college at Florida State University. Continuing in his passion for construction, Scott became a licensed General Contractor.

Those who do business with WestScott Construction know that we communicate often concerning the status of each project. We work hard to be accommodating to any project changes that come up during the course of a construction project. With years of experience, there isn't a request out there big or small we haven't already handled.

WestScott Construction only hires professional employees and subcontractors with a proven track record that reflects WestScott's reputation.

WestScott Construction provides the talent to incorporate innovative ideas with regard to design and space into each project.

Scott McLuckie's passion and pride of the construction trade is the cornerstone of WestScott Construction. Additionally, his strong belief in giving back to the community through volunteer works is one of the many reasons why Tallahassee residents and business owners trust WestScott Construction Inc. as their preferred General Contractor and construction service provider.
