Congratulations to Palmer Williams!

Palmer received his PHF+8 pin (three rubies) March 30 at Sunrise. It was the first of two recognitions Palmer will receive for his \$25,000 Major Gift to The Rotary Foundation. Stay tuned for Palmer's Major Donor recognition!

Palmer chose for his Major Gift to go to PolioPlus, which the Gates Foundation matched 2-to-1. That means Palmer's gift pays \$75,000 into the fight to End Polio Now.

We are "this close" to ending polio worldwide. Just think: Palmer's gift *might* End Polio Now. Way to go, Palmer!

Sponsor of the Month

Scott McLuckie, WestScott Construction

The vision for what would become

WestScott Construction began in 1976 when president Scott McLuckie became a basic carpenter's helper in high school. Scott went on to become a site supervisor while in college at Florida State University. Continuing in his passion for construction, Scott became a licensed General Contractor.

Those who do business with WestScott Construction know that we communicate often concerning the status of each project. We work hard to be accommodating to any project changes that come up during the course of a construction project. With years of experience, there isn't a request out there big or small we haven't already handled.

WestScott Construction only hires professional employees and subcontractors with a proven track record that reflects WestScott's reputation.

WestScott Construction provides the talent to incorporate innovative ideas with regard to design and space into each project.

Scott McLuckie's passion and pride of the construction trade is the cornerstone of WestScott Construction. Additionally, his strong belief in giving back to the community through volunteer works is one of the many reasons why Tallahassee residents and business owners trust WestScott Construction Inc. as their preferred General Contractor and construction service provider.
