Sponsor of the Month -- WestScott Construction

Since 2001, WestScott Construction has earned a reputation for quality construction, timely completion and caring customer service.

The vision for what would become WestScott Construction began in 1976 when president Scott McLuckie became a basic carpenter's helper in high school. Scott went on to become a site supervisor while in college at Florida State University. Continuing in his passion for construction, Scott became a licensed General Contractor.

Those who do business with WestScott Construction know that we communicate often concerning the status of each project. We work hard to be accommodating to any project changes that come up during the course of a construction project. With years of experience, there isn't a request out there big or small we haven't already handled.

WestScott Construction only hires professional employees and subcontractors with a proven track record that reflects WestScott's reputation and provides the talent to incorporate innovative ideas with regard to design and space into each project.

Scott McLuckie's passion and pride of the construction trade is the cornerstone of WestScott Construction. Additionally, his strong belief in giving back to the community through volunteer works is one of the many reasons why Tallahassee residents and business owners trust WestScott Construction Inc. as their preferred General Contractor and construction service provider.
