Sunrise Launches Mentoring Initiative at Rotary Scholarship House

Eight women of Sunrise met with 11 residents of the Rotary Scholarship House on October 21 for an informative discussion about money management. We were led by Champion Betty Jensen and Sunrise Bankers Melanie Quinton and Chattie Winton. There were cupcakes and a door prize! The next Mentoring meet-up will be on November 13.

The Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

CART Update

Coins for Alzheimer's Research Trust

Thank you, Sunrise, for funding US-based research seeking a cure for Alzheimer's and other dementia. When you toss your small change into the blue bucket on your table at each Sunrise meeting, you make a big difference.

CART started in 1996 with Rotarians voluntarily emptying their pockets and purses of change at weekly meetings. As of May 2022, CART had awarded \$11.2 million in 64 grants to recognized US research institutions.

A Project of the Rotary Clubs of North America

100% of donated funds go to Alzheimer's Disease research. All administrative expenses of CART are paid from interest earned from invested contributions.

The CART Fund is governed by a Board of Trustees composed of representatives from the Rotary districts that support the program. It is a 501(C)3 organization, Federal ID #31-1466051. The Fund is chartered as a nonprofit organization under the laws of the state of South Carolina.
