CART Update

Coins for Alzheimer's Research Trust

Thank you, Sunrise, for funding US-based research seeking a cure for Alzheimer's and other dementia. When you toss your small change into the blue bucket on your table at each Sunrise meeting, you make a big difference.

A Project of the Rotary Clubs of North America

CART started in 1996 with Rotarians voluntarily emptying their pockets and purses of change at weekly meetings. As of May 2022, CART had awarded \$11.2 million in 64 grants to recognized US research institutions.

100% of donated funds go to Alzheimer's Disease research. All administrative expenses of CART are paid from interest earned from invested contributions.

The CART Fund is governed by a Board of Trustees composed of representatives from the Rotary districts that support the program. It is a 501(C)3 organization, Federal ID #31-1466051. The Fund is chartered as a nonprofit organization under the laws of the state of South Carolina.
