What began as a charitable effort by First Presbyterian Church in 1986 eventually blossomed into The Kearney Center as it is known today. Ending homelessness has always been and will continue to be a community effort. We are grateful for all the compassionate people who have helped us become a comprehensive service center for people experiencing homelessness.

Our mission is to offer help and hope by creating solutions that provide a path to self-sufficiency to those in poverty. In service to this mission, we are committed to providing a safe environment that promotes dignity and respect.

**The September 24th meeting will be at:
St. John's Episcopal Church
211 North Monroe St.
Tallahassee, FL**

**The October 8th meeting will be at:
Glory Days

Hands Helping Anglers 36th Annual Fishing Event Saturday, September 28, 2024

Hands Helping Anglers provides people with disabilities an awesome **FREE** day of fun and fishing.

Food, beverages, and bait included!
Transportation available.

Boats will launch from Shields Marina and other local sites in the Big Bend area.

Shields Marina
Serving Our Area Since 1952!

ROTARY CLUB OF TALLAHASSEE CAPITAL • ROTARY CLUB OF TALLAHASSEE NORTHSIDE

SPORTSABILITY ALLIANCE

Hands Helping Anglers is a program to take people with disabilities out to experience boat fishing. Food, beverages, and bait will be provided for an awesome day on the water.

We are currently seeking boat owners willing to take a person with a disability fishing for the day. Even if you only have room for 1 person, you can provide a very special day on the water for an angler with a disability.

This will be our **36th Hands Helping Anglers** event, in partnership with Rotary Clubs and Shield's Marina.

As with previous years, most boats will leave out of Saint Marks, FL, but some will leave from other areas (depending on the boat captain).

Space is limited. Anglers are selected on a first-come, first-serve basis.

TIMELINE

- If you are interested in being a boat captain, please contact John McBride at 850-570-3467 or jmcbride@mcbride@gmail.com

johnjennings.mcquay@gmail.com

- We are taking registrations for anglers (people who want to go out on a boat fishing). If interested, please register here: [Hands Helping Anglers - September 28, 2024](#)
- Anglers will be matched with boats and transportation issues addressed

Fill The TUB

FILL THE TUB
09-10-2024

Pam Terry does it again!!!

The Salvation Army was overjoyed to receive our generous donation!! The women began organizing and taking inventory right away!!

I learned that The Salvation Army would buy such items from Second Harvest. This will help our community in need and save some much-needed money for The Salvation Army. Thank you all again!!

Pam

Pam, thank you very much for your extra effort. You are a great lady who certainly lives to the Rotary mottoes of "Service Above Self" and "They Profit Most Who Serve Best". Have a great week.

Jim Wadsworth

Congratulations Pam. Sorry I couldn't be there to help.

That's a great project!
Diana

Thanks Pam and John!!!

Great job getting our message of service into the community. You're igniting the magic!

Linda Liebert-Hall

This is Wonderful !!! Thank you Pam and John for "Telling our Story" and getting our message out there for Capital Rotary ??

The Story - 4256

□ In the heart of Tallahassee, where the warm Southern sun bathes the city in its golden glow, there exists a group known for their tireless spirit and unwavering dedication to service: Capital Rotary. Despite its modest size, with only a handful of members, the club has a remarkable impact, fueled by a deep-rooted passion for making a difference. With 75% of its members boasting more than a decade of commitment, their history is rich, their service profound, and their heart for the community boundless.

The club's activities are a mosaic of community service, each project a testament to their enduring legacy. Every fifth Wednesday, members of Capital Rotary gather to volunteer at the Kearney Center for the homeless. As evening falls, the warm, hearty meals served by the club are more than just sustenance—they are a symbol of hope and compassion. The kitchen buzzes with activity, the clatter of pots and pans mingling with laughter and camaraderie. It's a rhythm that has become as familiar as the turning of the seasons, a cherished routine that brings a sense of togetherness to those in need.

Capital Rotary's dedication extends beyond the Kearney Center. Their support for The Rotary Youth Camp for handicapped children is another cornerstone of their service. This camp, designed to offer a haven of joy and opportunity for children with disabilities, benefits from the club's generous funding and hands-on assistance. Every year, the camp is transformed into a playground of laughter and learning, thanks to the club's unwavering support. For many children, this camp is more than just a summer getaway—it's a place where they can explore their potential and create lasting memories.

The club's impact is felt not only in the lives of children but also in the world of fishing enthusiasts with disabilities. At the Hands Helping Anglers handicap fishing event, Capital Rotary steps up to prepare lunch for participants. The event, which brings together anglers of all abilities, is made even more special by the club's contribution. As the sun rises over the shimmering waters, the fresh delicious sandwiches are a testament to the club's commitment to ensuring that every participant feels valued and cared for.

Throughout the year, Capital Rotary's support for the local Salvation Army is a constant presence. The annual Bell Ringing Event is a highlight, where members don their red aprons and jingle bells, spreading cheer and encouraging generosity in their community. But their support doesn't stop there; from filling barrels with clothing needs to assisting in various other events, the club is always ready to lend a hand.

Capital Rotary established the Dr. Samuel Meyer Scholarship at Tallahassee Community College to provide financial assistance to a graduating senior from a Leon County high school who took part in school activities and within the community.

In addition to these ongoing projects, the club recently launched a drive to collect household cleaners and personal care items for Second Harvest of the Big Bend. Their efforts, driven by a genuine desire to alleviate the burdens of those facing financial hardship, are a testament to their proactive approach in addressing community needs.

As the years roll by, Capital Rotary remains a "Small but Mighty" force in Tallahassee. With over 44 years of service, their legacy is not just in the projects they support but in the spirit they embody. Their story is one of commitment, compassion, and community, a reminder that even the smallest clubs can make a monumental difference. In every meal served, every camp supported, every bell rung, and every item donated, Capital Rotary writes a chapter of hope and generosity in the heart of their beloved city.
