RAP House Italian Night!

Thanks to all for bringing Heather's crazy vision (her words) to fruition! Italian Night at the RAP House on August 6 was a big success. The kids were served at red and white checkered candlelit tables instead of getting their meal at the self-serve window. They were treated like they were at a restaurant with very accommodating Rotary waitresses! Course 1 - salad and bread; Course 2 - Stuffed shells, manicotti, ravioli, meatballs, penne and sauce; Course 3 - Sundae bar. We love spoiling the kids AND the staff! If you haven't had the opportunity to participate in this service project in the past, you are missing a very rewarding experience.

Charlie Rogers - Update on Council on Legislation

It was great having Charlie Rogers speak at our August 7 meeting. He gave an informative update about the recent Rotary Council on Legislation, of which he's presently a delegate. At our meeting, he also presented Paul Harris awards to our members: Julie Rockwell (PHF+1) and Ray Ford (PHF+2).

A Paul Harris Fellow award is given by Rotary

Congratulations to these worthy recipients!

Durney Key Matching Grant

The primary mission of the Rotary Club of Seven Springs is to make a lasting, positive impact on the lives of children and families throughout Pasco County—a commitment that shapes every project and partnership undertaken by the club. In pursuit of this mission, the club, in collaboration with the Energy and Marine Center (EMC) and Pasco Schools, has recently secured a grant from Rotary International District 6950 to restore Gurney Key. This initiative will stabilize local shorelines, boost oyster populations, remove invasive species, and plant native vegetation, directly supporting the environmental health and long-term accessibility of the area for generations of families.

Beyond environmental restoration, the Rotary Club leads and supports a range of impactful programs, such as Adopt a Precinct, Backpacks of Hope, and the Cotee River Flats Classic fishing tournament. The club also partners with organizations like the YMCA and RAP House, offers college scholarships, and supports the PHSC Foundation. Each of these initiatives reflects the club's ongoing dedication to improving the lives of children, families, and the entire Pasco County and region, in alignment with Rotary International's vision of service above self.

Later this month (Aug 28-Sept4) International Service Chair - Parveen Vahora and member Christine Behrman de Colindres will head to Brazil in support of a grant we were awarded. This grant in part provides much-needed "smart beds" for NICU babies there. By being able to weigh them in place, proper dosage of necessary medications can be determined without moving them to a scale, which often causes more harm to the already compromised infants.

Oct 16-17 Cotee River Fishing Tournament - Seven Springs Club's 7th Annual

For more information contact: John Fey - 727-534-9682

The excitement begins with the Captain's Dinner on Thursday night, "on the beach" at the picturesque Whiskey Joe's waterfront restaurant.

The competition begins with silent and live auctions during the cocktail hour and dinner. Tickets for the Captain's party are available even if you don't fish!

Friday morning, anglers board their flats boats captained by a professional fishing guide and head out to Gulf waters. Fishing licenses are not required.

Each boat is fully-stocked with: tackle and bait, beverages and food, tips for new anglers and help reeling in the big one!
