Meeting Notes from May 1 – Sherrie Davis Kinkead

DUTIES: Greeters: Jennifer B and maybe a late-arriving Jay P; Invocation: John T; *Pledge of Allegiance* and “5”-Way Test: Mary Beth C; “Emcee”: Prez Doug C

VISITORS: None

HAPPY BUCK TIDBITS: Jay L - lives behind a 15-acre lake and was curious about the fish in the lake, which resulted in him throwing a line, which resulted in a guy screaming at him that he could not fish in HIS lake; then in the summer of 2020, his visiting kids took kayaks on the lake, resulting once again being screamed at; Jay decided to represent himself in a lawsuit on water rights and it finally came to trial in November, and he won; the case was appealed and he won again; so real happiness is kicking butt twice when representing himself. Kris Gay - granddaughter graduated FSU *Magna Cum Laude*. Jaquelin N - her daughter ran the half marathon in NY in 2 hrs. 14 minutes. Bill H - Forbes has recognized the University of Florida as one of 10 public “New Ivies.” Tom M - his contract with Raymond James in the compliance department ended early on Monday so he is officially unemployed and looking for another job. Lots of others were happy and praised the skills of several in the club.

50-50: Kris Gray held the lucky matching ticket and was able to win more than she spent when she pulled the Jack of Clubs. But the Ace of Spades that wins the pot still eludes us.

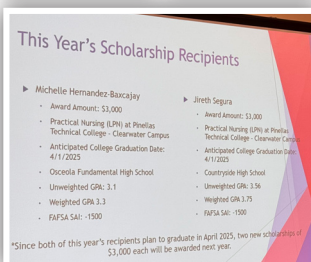

TOM’S GROAN: Not leaving the groans just to Tom, Angie stepped up today with this: And God promised men good and obedient wives in all corners of the world, then He made the world round. (I’m sure the women appreciated the joke more than the men.) How could Tom compete with that?

PROGRAM: Jennifer Bullock, who oversees operations in the health care areas of Mease Life, gave us information on the community, which has 200 independent, 160 assisted living, 62 skilled nursing, 14 hospice and 32 memory units. Mease Life recently joined Acts Retirement Life Communities and the transition is going well.

Second part of the program, Gary Coughlin and JoAnn Rooney talked about the scholarships awarded by the Community Foundation Tampa Bay, which received \$130,000 that FL’s unclaimed funds returned to our Endowment Foundation. The Community Foundation TB also added \$25,000 to our account. Each year, we plan to use investment income to fund two health care or vocational scholarships to Dunedin students. Congratulations to the recipients of this year’s scholarships.

ANNOUNCEMENTS: Plans continue for the golf tournament. Food will be served by a food truck that does smoked BBQ. Sherrie suggested that Rotarians sponsor a Fairway Sign for their favorite charity. Businesses should take

advantage of the low \$400 cost to have a tent at a T-Box and advertise to the field of golfers.

FL MINUTE W/DR. BILL: The Florida Minute started as trivia about Florida Man/Florida Woman as we know our state has colorful characters not found elsewhere. He’s looking for suggestions for future minutes and gave news that one topic, YeeHaw Junction, was getting a charging station for EVs. Angie suggested reading *A Land Remembered*, which is fiction but based on history.
