Meeting Notes from May 15 – Sherrie Davis Kinkead

DUTIES: Greeters: Mel O, Marc B; Invocation: Jay P; *Pledge of Allegiance* and “5”-Way Test: Dick S; “Emcee”: Prez Doug C

VISITORS: Dennis Suarez (Rick L); Dan Reisling (Angie E); Capt. Karen Miller, Lisa Repetto (Speakers)

HAPPY BUCK TIDBITS: Mark M - our cub has lots to be proud of with our grant request as we scored the highest number of pogs; just registered for the Zone conference in October; George Ann Bissett agreed to be the interim director of the Dunedin History Museum and Steve Beaty is taking over as president; on June 19, returning to what he once did as he will be a guest bartender to raise money (but failed to write down who he benefits – oops!). Dick S - Herb Brown's obit was in Sunday's paper, but the picture was not Herb; Herb was an honorary member of the Clearwater East club; sad news that his son, who was treated for throat cancer with chemo and radiation, now is in ICU due to breathing problems and will need his larynx removed to enable breathing and swallowing. We wish him well with lots of prayers. Marc B - granddaughter accepted at USF. Jay P - after 6 weeks, he finally heard from son, Jimmy. Sherrie DK - this past weekend, entertained and/or visited daughter #1, granddaughters 2&3, great-grandson #1 and former husband #2, along with the FL ones: daughter #2, granddaughters 3,4,& 5. Dr. Bill H - patient he's seen for a number of years contributed \$2500 from a charitable trust fund to the CART fund in our club's name. Angie E - the rain today reminds

her of the time she moved to FL and was pregnant in the FL heat, thinking if it would only rain, the baby would come. It did and she did. Rob W - sold his boat if you see a guy crying on the dock; sent work to Allan Landry that his maringa tree is doing great!

TOM'S GROAN: Tom, still looking for a job, thought he would tell a joke about unemployed people, but none worked...

50-50: Becky Stein held the matching ticket this morning, but only drew a 4, so the pot is still increasing.

PROGRAM: Do you or your family spend time on the water? If so, today's program was just for you! Capt. Karen Miller of the Clearwater Coast Guard Aux. told about the organization, which also includes AUXAIR which helps the Coast Guard keep those enjoying our waters safe. They give Safe Boating classes (\$50) but will inspect your vessel free of charge.

PHF DRAWINGS: Winners of the \$1/Month Club, who receive a sustaining membership of \$100 in their name are: Jorge Nuila, Jaquelin Nuila, Patrick Donoghue, JoAnn Rooney, Drew Gracy, Gary Coughlin, Mark Middleton, Candice Kelly, Bill Huntley, Mel Ora, Becky Stein,

Steve Schwartz. The big winners of the PHF Club, which awards a full \$1000 PHF, are Doug Campbell and Becky Stein. The others, whose names were not drawn but participated in the PHF club, receive a sustaining membership of \$100. Thank you to all participants!

ANNOUNCEMENTS: Volunteers to serve at HEP on June 7 are needed and Candice and Becky stepped up to the plate.

FL MINUTE W/DR. BILL: Today, we received a map test of lakes, including Orange and Lockloosa with Cross Creek connecting them. But most interesting were the old names of Gainesville (Hogtown) and Jacksonville (Cowford). Marjorie Kinnan Rawlings, who wrote *The Yearling*, has a restaurant in Cross Creek named for her book. And Angie recommends *Cross Creek*, a collection of short stories, which resulted in Rawlings being sued over a story that was too close to the truth.

Calling all Officers, Directors, Chairs and New Members!!!

The district's training assembly in June 15 at the Pasco-Hernando Community College in New Port Richey. Register in advance on DACdb.com. Registration and breakfast begin at 8am, followed by the start of training at 9am sharp. They promise to end no later than 4pm.

New members receive their own special Boot Camp. Ask any who have attended and they will tell you this is a MUST! Let's help Candice get off to a great start by attending and learning.
