

Each month our club meets on the fourth Tuesday for our “Assembly” meeting. I used to think this was a funny name for a meeting. It had no particular meaning to me at the beginning. I guess it is like a call to “muster” in the military. Regardless of what it is called, what this entails is our club members coming together to hear the latest updates on activities and service projects, as well as the business of the board of directors. However, it is really much more than that. There is a more relaxed atmosphere in the room, and members seem to want to enjoy time connecting with each other. In a way, it is more like an “informed” social. The essence is good. And, if we are really lucky, we might get to experience a story about how Pastor Fred got arrested in 1958!

So here are the highlights (not in any particular order):

- \*In July, we are moving to the WTC for our meetings (Rms 713/714), food provided by the culinary dept except when school is out. Then we will cater in or brown bag it....to be discussed
- \*How many times a month we will meet is still to be determined
- \*Padma Li has attended the Fireside Chat and applied for membership
- \*Crystal Lizanich of the Inverness City Council attended our meeting and submitted a request for a Fireside Chat
- \*Baskets/Silent Auction – we will be meeting February 3 from 11-3 at Angelotti’s to “wrap up” our auction items. If you have not finished and turned in your offering, bring it to this get together. Can’t make it? Contact KarenA or LaceB for other arrangements
- \*Brewfest Promotion – Like us on Facebook, then when you see the Event, press Going, and if you can, also press Share. This will get the word out to all your friends and helps to generate more posts (for advertising)
- \*Brewfest set up – (if I heard correctly) 10 am on February 24. Stay tuned as there will be scheduling updates coming up.
- \*Grants and Scholarships - our community grants are now available for application. Deadline is April 1. Our scholarship applications, both Fairman and Standard, are now available. Fairman deadline is early March and Standard is late March
- \*Habitat Build with the 6 rotary clubs is scheduled for April 13

100 Club – (guess who is missing) \$10 – Bruce Carney, \$20 – Chris Dudley, \$30 – Mark Novak  
CART Cans – brought in \$15.00, Grand Living Coin Box brought in \$15.00  
H/s Dollars - \$102  
50/50 – (you guessed it!) \$27.50 to Tom Slaymaker

So, these are most of the facts that are fit to report. We will have our next club meeting February 13.

.....I bid you peace.
