

Our assembly meetings are a time to check in and find out what is happening at our club. While I was away and didn't attend this week's meeting, I did obtain some of the highlights.

Community Service – so what's coming up for our club? Here's a list of happenings: Stone Crab Jam Beer and Wine tent, One Bag, Blessings, Feed Citrus, Bell Ringing for the Salvation Army, Relief Share, Family Resource Christmas Kids, Christmas Parade, Christmas Party, Socks for Prisoners.... Certainly, there must be something of interest to get involved with! Join your fellow Rotarians and have a great time working together doing good. (Details coming is separate broadcast) Speaking of Family Resource Christmas Kids.....Trish Thomas is handing out participants. She will bring more to the next meeting, or you can reach her personally.

John Murphy updated the club on Upward Bound for this year.

Anniversaries: Congratulations to Larry Gamble, Tito Rubio and David Rom.

Reminder: Boot Camp October 29 at 12 noon at WTC. Come find out more about the club and the activities we provide.

Visitors: Doug Lobel of the Downtown Club brought Jonas, a former exchange student from Denmark that our club hosted in 2013/14. He is now in the navy. We also had the pleasure of Trish's friend Mark, Hauns our perennial visitor from Germany, and Jill Godette, a retired nurse and a volunteer of Relief Share.
