#### Club Board Business Report:

\*Tom shared that there has been discussion and investigation into a location to move our club. Derrick Buettner, Scott Hebert and Sam Himmel have come together to offer a location at the WTC. The room has many pluses including good space, TV's and a sound system, parking, storage and access to the culinary school. The school district leaders would like to more closely partner with our club for all we do in the community and would like to support this initiative. Another possibility that has become available is the Train Station Café at Liberty Park. Finally, Tom said that he has heard (but not yet explored) that Joe's Family Restaurant has just opened and has a meeting room. Please bring your thoughts/comments to your board members or Pres.

\*Tom also shared that he has been approached by several members that it is desired that we go back to meeting 4 Tuesdays a month and have a social on the 5<sup>th</sup> Tuesday. Again, feedback is needed. Contact a board member or the Pres.
