

It is almost graduation and the end of a school year. Students will be moving on to their next life adventure. We could feel their excitement and hesitation as we were honored to meet our final students of the month for the 2023-24 school year.

From Inverness Middle School, we met Ziona Clarke and David Roscoe. Ziona is a 4.0 student who was awarded the scholar of the week, student of the week, has been on the A/B honor role, is a member of NJHS and loves to play chess. She plans to become a dentist. David Roscoe is on his way to a role as an Ambassador for the US. He has been inducted into the Hall of Fame and plans on attending our IB school. He plays in the school and the marching band and participates in several parades. His plan to prepare for his future is to go on to a university with a degree in history and political science.

From Citrus High School, we had the pleasure of hearing from La’Nya Solomon and Jonah Weeks. Our seniors we brief in their presentations, as their lives are currently being filled with awards and celebrations. La’Nya is involved in the performance arts and has a strong desire to continue to act and sing; however, she knows that there are other careers to pursue. She will go to Central Florida for a degree in psychology.....with a little theater thrown in. Jonah is another of our high school’s wonder students. With a 4.6 gpa, he plans to attend Florida Polytechnic in computer science (specialty to be determined). When he is not studying or playing in the band, he participates in the robotics team competition. As always, it is a sunny day when our students are visiting. Good luck to each of them as they travel onward.

Update on Brewfest – our next major fundraiser is scheduled for March 22, 2025 at the Depot. John Murphy promises it will be bigger and better than ever, and he needs everyone to get involved throughout the planning and execution of this endeavor. The success of this fundraiser depends on each of us, and the success of the park depends on the success of this event.
