- Location:* St. Petersburg College Seminole Campus Conference Center
9200 113th St N
Seminole, FL 33772

Member Spotlight Matt Kessenich CPA | MBA | CMA

Born in Wisconsin, I came to Florida 15 years ago by way of North Carolina where I started my career with two bachelor's degrees at a tiny rural University while running the gift shop at a train museum (fun fact, I have operated a steam locomotive with passengers...and they're all OK!). I've an MBA from Florida International, and a chicken soup of other letters as a licensed CPA, CMA, CCIFP, and more. My better half Kathryn and I have a 2 year old son, Troy, and find fulfillment every day nurturing our beautiful family. I'm rolling past two years in Rotary and look forward to finding more ways to contribute, aside from being the tall guy at Dream Center.

Horses For Handicapped Foundation of Pinellas County

[Seminole Lake Rotary Club](#) members were at it again today helping build new fences at [Horses For Handicapped Foundation of Pinellas County](#) that were destroyed by the hurricane. We made a lot of progress today with the help of community volunteers and our Rotary members.

[Story on Facebook](#)

Madeira Beach Fundamental School

[Seminole Lake Rotary Club](#) was honored to present a check to Madeira Beach Fundamental School Principal Ateek to help boost morale amongst students and teachers after their school was flooded by the most recent hurricanes we had. The elementary students are still displaced and the middle school is meeting in portables as shown in the photo. We wish you all the best in your recovery efforts!!

[Story on Facebook](#)

Florida Dream Center

6am report this morning at our monthly food pantry commitment serving those in need (especially after our two back to back hurricanes). We also presented them with a check resulting from our hurricane relief fund efforts. Our Seminole Lake Rotary Club rocks!

S4TL - Seminar for tomorrows leaders

SEMINAR FOR TOMORROW'S LEADERS
A Joint Leadership Project of Districts 6890, 6950 & 6960
2025 Session at Florida Southern College

Ed Hallock, S4TL Board President, and D6950 S4TL Chair
7080 Conch Blvd
Seminole, FL 33777
Phone: (727) 385-8115
Email: ehallock@tampabay.rr.com

The delegate reservation process for this year's S4TL is now open for clubs to reserve and pay for delegates they wish to send.

S4TL will be held at Florida Southern College from Sunday, June 15th, 2025 through Saturday, June 22nd, 2025.

I am pleased to announce that clubs can now make and pay for delegate reservations using a new online facility.

The attached letter contains additional information about S4TL and the reservation process.

To start your reservation simply go to: <https://seminar-delegate-reservation-form.cheddarup.com>

Then follow these steps:

1. The link will take you to a site with some general information and allow you to add 1 to 4 delegates to your cart. **To Add Delegates make sure to scroll to the end of the information.**
2. Once you have added the # of desired delegate reservations, select **Continue to View the Delegate Reservation Request form** where you will enter the required information including your club's name, the name & contact details for your club President, along with a 2nd contact for your club.
3. Once you have filled in all the fields, the form can be signed with a digital signature and saved.
4. You then must select Continue at the bottom of the page to go to Check Out and Payment, where you can pay via credit card, electronic funds transfer (eCheck), or with a paper check. **Please note that credit card payments will incur a processing fee. This is the default payment option but feel free to change it to an eCheck or a standard check via mail, for which there are no fees charged.**
5. You will receive 2 emails: 1 will confirm your reservation along with the information you provided; The other will be a receipt for payment or instructions on how to pay via check by mail.

If you have any questions, please don't hesitate to contact me.

Thank you all in advance for your ongoing support of our wonderful program that trains our next generation of leaders!

Ed Hallock, S4TL Board President, and D6950 S4TL Chair

March 13 & 14

Guilty Sea

301 Gulf Blvd.

Indian Rocks Beach

Proceeds to benefit:

- Needs due to hurricanes
- Food for people in need
- Polio eradication
- Youth educational programs

International Service

Since Hurricane Katrina hit the Mississippi/Louisiana coast, the Rotary Club of Seminole Lake has been doing a disaster relief/restoration work project during Veterans Day week.

The first missions were collaborations with Habitat for Humanity and required a contribution to the Habitat organization to be part of the team.

Bay St. Louis was the focal point from 2006 to 2015, and the team worked with the club's Chuck Oldanie as our coordinator.

The mission morphed into recovery from Hurricane Maria which hit and devastated western Puerto Rico. I remember being a part of the early teams in 2018 to Aguada. The mess of the roads, especially with all the mudslides, made travel a challenge. Now, Glenn Stamm takes charge as Mission Director, and it is purely a Rotary project with local support.

Local leader Maribel is like a drill sergeant on the ground in preparation for our visit: Materials in place; project defined; logistics set.

This year the team worked for the second year on the tiny home of a single mom with an autistic son. They live up the hill from her parents. The roof was destroyed by a tree and access to the house is treacherous. So, the team restored the roof and built a reinforced gravel path to the property.

The Rotary Club of Mayaguez received our team graciously and sent a generous donation of \$2000 to our District to help with our own Hurricane disaster relief. As Rotarians, we appreciate each other as one big Rotary family.

Golfer 2: Name, Company, Phone, Address, City, State, Zip, Email, Handicap

The Rotary Club of St. Petersburg Annual Golf Tournament benefitting CART is thrilled to hold our 3rd Annual event at the prestigious Belleair Country Club. Last year, this event led to a donation of over \$50,000 in net proceeds to CART, doubling the inaugural event's figure and further fueling research for Alzheimer's disease.

Per the CDC, 2021 saw over 100,000 people pass away from Alzheimer's Disease in the US, making it the 7th leading cause of mortality. Despite efforts, there is no cure for the disease. This must change. Rotary clubs around the world have taken a stand in the fight against Alzheimer's disease and we need your help.

Join us at Belleair Country Club for a great day of golf and philanthropy. Your contributions will be greatly appreciated as we all work together to find a cure for a disease which has affected so many families around the world.

In addition to your participation, we encourage you to consider sponsorship of our event.

Sponsorship & Payment Information on Next Page.
