### Seminole Elementary- Adopting the School

Our annual **Belize Missions Trip** is fast approaching (Feb. 16-21) and we are in need of some select items to fulfill our commitment to the village school that we'll be working at. To make things simple, quick, and easy, we've built those items into a concise Amazon Wish List. When you select items and put them in your cart, it will automatically populate my shipping address. If we need more than one of the listed items, it will show that in the shaded box to the right of the item. Our entire Belize team (15) appreciate your support, and thank you in advance for your contributions.

## Member Spotlight Ed Hallock

I was born and raised in Paterson NJ. In 1989 my wife Carol and I, who have been married for 43 years, moved to Marina Del Rey CA for 3 years, prior to coming to FL at the end of 1989. We have two grown

children, Zachary who was born in Santa Monica California, and now lives in and works in Raleigh NC as a transportation planner and Rebecca (aka Sister Grace Maria) born in St. Petersburg who a religious sister in the order of The Disciples of the Lord Jesus Christ (DLJC) in Boys Ranch TX. We have two grandchildren,

Zelie, age 2 and Anthony 10 months, the children of Zach and his wife Victoria. I am a retired software engineer and IT executive having spent 40 years working for independent software vendors on the strategic planning, development, and marketing of software solutions for the IBM z/OS mainframe platform. I have been a Rotarian since 1993 when I joined the Rotary Club of Pinellas Park. In July of 2005, I transferred to the Rotary Club of Central Pinellas until it fell victim to COVID and low membership in 2021, when I became a member of Seminole Lake. I have held a variety of club and district positions including serving as President for two different Rotary Clubs as well as an Assistant Governor for 3 years supporting 13 different clubs in District 6950. I can speak from experience when I say that I had the opportunity to join many different Rotary Clubs in 2021 and choose Seminole Lake because we truly are the crown jewel of District 6950. My passions in Rotary are International Service and Youth Services programs, especially Seminar for Tomorrow's Leaders (S4TL), where I serve as the Chairman of the Board Directors and work as a member of the senior staff for the seminar each year -- I truly believe in cultivating the leadership and service skills of our future generation. Carol and I are Major Donors to the Rotary Foundation as well as Bequest Society Members. Probably my greatest achievement in Rotary was to be awarded the Rotary International Service Above Self Award in 2022, primarily for my work with youth through S4TL. I consider it an honor to share this award with only 11 other recipients in the history of our district, including Past RI President Herb Brown and my two fellow Seminole Lake Rotarians Tim Schuler and Sandra (aka Sandy) Lilo. Since retiring at the end of 2018, I have been playing a lot of golf, exercising daily, working on behalf of S4TL and traveling. My travels include our club mission trips to both Belize and Puerto Rico the past two years, as well as Carol and I both doing the Camino De Santiago with a few of our other club members this past April. We also make multiple trips each year to North Carolina to visit our grandchildren.
