President's Perspective

I want to extend my deepest gratitude to our Board of Directors and Disaster Preparedness and Response Committee, led by Kipper Connell, for their swift and organized efforts to coordinate outreach in the wake of Tropical Storm Debby.

Thanks to quick activation of the phone tree, we were able to ensure that every member was accounted for and safe after the storm. Their dedication not only kept us informed but also provided crucial support when it was most needed. It's in times like these that the strength of our Club truly shines.

I hope we never need to use the help of our Disaster Preparedness and Response Team again, but I am comforted knowing we're here for each other when times are tough.

Club Speaker Angel Cook

Our speaker on August 7 is Angel Cook. Angel has been in Pasco County her whole life, growing up in Hudson and graduating from Hudson High School. She is the Principal Agent at Leaders Insurance in Trinity. Angel is married to Larry Cook and they have two daughters, Lexi & Taylor, and a grandson, Mason.

Angel grew up in a challenging household, which led to her being removed by the police and put in the RAP House Youth Shelter. This is where Angel lived off and on for the majority of her high school years. As an adult, Angel is driven to promote the Shelter and get as many people as she can involved in making the kids that come through there know they are cared for and can be more than the moment they are in at that time.

Angel is here today to share information about the RAP House and how to get involved.
