President's Perspective

Dear friends,

I'm thrilled that our first Club Assembly was a success, and I'm eagerly looking ahead to another wonderful Rotary year with all of you! This year, my focus is on nurturing the exceptional culture of our Club by embracing the core values of transparency, trust, and togetherness. We can live these values through open communication and steadfast support for one another. To foster that, I plan to use this Newsletter to share important information from our Board, highlight the work we do in the community and ask for your feedback and ideas.

To complement our current communication channels, I invite you to enhance your Club experience by downloading the Ignite app, if you haven't already. Through Ignite, we'll keep you informed with important updates and Club news. Plus, you can conveniently manage your dues payments directly through the app. Simply download it and sign in using your DACdb email and password. If you encounter any challenges, please don't hesitate to reach out – we're here to help!

Here's to a fantastic year ahead, filled with meaningful connections and impactful initiatives. And lots of fun!

In your service,

Connie Galletti

This Week's Speaker

Our speaker this week is David Christopher. David is a former police officer and a Veteran of the United States Army, and is a passionate advocate for veterans. He owns Cryo-Eeze in Spring Hill FL, offering therapies to reduce inflammation, improve pain management, boost energy, and speed up recovery. When he's not running his business, traveling to Washington DC and participating in Rotary events, he serves as an International Boccia referee and as a member of the US Para Bobsled Team.

Adopt-A-Road / Coastal Cleanup

Our hard-working Club was back at it on Saturday, July 13, doing goodery at our Adopt-a-Road Cleanup on Scenic Drive. Sixteen Rotarians and family members showed up to make light work of a very nasty stretch of land and park space. We gathered 7 bags of trash and a car bumper (nice find, Jacky!). Wake even found the elusive Tinker Bell, albeit a little worse for wear. Please join us at our next event, which will be September 21, in partnership with the "Keep Pasco Beautiful" event. Details are on Ignite and will also follow via email as we get closer.

Day at the Rays
