Our guest speaker this week is David Buck.

Working for Fortune 500 and small business entrepreneurs, Dave held sales and leadership roles for well over three decades.

Leading many teams, he developed a strong awareness of what it took for people to be productive and efficient, not just busy. Dave also personally sought to gain a balance of having a successful career along with ability to pursue a meaningful personal life.

That led Dave to start Kairos Management Solutions, focusing all his attention to guide business professionals, who struggle with a lack of flexibility in their life and want more quality personal time, or to

understand what it means to be semi to fully retired. Dave helps his clients craft a strategy around their current management of time, and then define a lifestyle of intention, ease, and joy – when career becomes less important or finished.

In late 2023 or early 2024, Dave will be a published author of his first book called, *The Time Optimized Life: Looking at Time More Infinitely*. The book reframes the reactive nature of time management and replaces it with a proactive method of time optimization.

Dave is the husband of the Rev. Dr. Susan Rose, who runs her own non-profit called Diakonos Solutions, mentoring women focused on a career in ministry. Dave is the father of two sons. Kenneth is completing his Ph.D. in horticulture at Cornell University and lives in Ithaca, NY with his wife Ellie. Blake is finishing his first round of forest firefighting training in South Carolina before heading to Washington state.

Please give Dave a warm welcome!

We will meet at Art's Tap House at 6:00 for a bite to eat, lanes will be open by 7:30. Please RSVP to Nikki Connell by 3/11 so we will be sure to have enough room for everyone.

Come out for a great time filled with fellowship and fun!

And the winner is....

going to be announced at tonight's meeting. Thank you to all Rotarians who helped with the cruise raffle! The funds raised will benefit our local community.

March is Water, Sanitation, and Hygiene Month.

Providing clean water, sanitation, and hygiene is one of the seven Areas of Focus.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families. Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.

PLEASE REGISTER on the DACdb calendar, so we know you're coming!

No Charge!!

The game will be broadcast on the PHSC Facebook page including interviews between the innings with Rotarians from throughout the district.

Ronnie is always on the lookout for Rotarians to participate in the Cook for Kids at the Rap House. It is always a great time filled with service, fellowship, and fun. If you have not participated in this service, you don't know what you're missing!

Cook for Kids is the first and third Tuesday of every month. If you are interested in participating or if you have any questions, please contact Ronnie Bryant.

"One Profits Most, Who Serves Best, Service Above Self"

Have you wondered how the Rotary Membership process works? Have you considered proposing a new member? Here are the steps:

- 1) A Rotarian of our club may invite a guest to attend one or two meetings;
- 2) If the Rotarian feels that that person would be a good fit with our club, the Rotarian may propose that person by completing a proposal form and submitting it to the club secretary;
- 3) The proposal is brought before the board of directors for a vote. Remember: DO NOT inform the prospective member of the proposal until AFTER the board approves;
- 4) Once the board approves, the proposed member is asked to complete and sign a membership application. This application should be returned to the secretary ASAP so that he/she may publish information to the club;
- 5) The proposal is presented to the club for a seven-day objection period;
- 6) Barring any objections, the proposed member becomes a new member!

Do you
have
any

proposed speakers who can provide great information to our club? Please contact Dave LaRoache at drlaroche2020@gmail.com. Our club is always in need of great speakers!

Do you have some news to share with the club? If you would like to include something in the newsletter, please contact Brendan at Brendan@LMWAttorneys.com by 5:00 p.m. on the Monday immediately before the next meeting.
