November is Rotary Foundation Month.

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, the Foundation taps into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leaves a lasting impact.

Please take a few minutes to watch this video: [\[Link\]](#). Thank you to all of you, our Area, and our District for coming together to help an area that badly needs assistance.

Our club had a great time at our second annual, Friends and Family Picnic! Thank you to Esther for organizing! Thank you to JR and Kipper for manning the grills!

Can't wait for next year!

Ronnie is always on the lookout for Rotarians to participate in the Cook for Kids at the Rap House. It is always a great time filled with service, fellowship, and fun. If you have not participated in this service, you don't know what you're missing!

Cook for Kids is the first and third Tuesday of every month. If you are interested in participating or if you have any questions, please contact Ronnie Bryant.

Above Self"

Have you wondered how the Rotary Membership process works? Have you considered proposing a new member? Here are the steps:

- 1) A Rotarian of our club may invite a guest to attend one or two meetings;
 - 2) If the Rotarian feels that that person would be a good fit with our club, the Rotarian may propose that person by completing a proposal form and submitting it to the club secretary;
 - 3) The proposal is brought before the board of directors for a vote. Remember: DO NOT inform the prospective member of the proposal until AFTER the board approves;
 - 4) Once the board approves, the proposed member is asked to complete and sign a membership application. This application should be returned to the secretary ASAP so that he/she may publish information to the club;
 - 5) The proposal is presented to the club for a seven-day objection period;
 - 6) Barring any objections, the proposed member becomes a new member!
