November 20th Meeting

Club Speaker Bill Cronin

Bill Cronin is the President & CEO of the Pasco Economic Development Council, a non-profit organization that collaborates with both public and private investors to drive economic growth in Pasco County. Under his leadership, Pasco EDC focuses on attracting new businesses to the area, creating job opportunities, and providing essential resources to support the growth of existing companies and small businesses.

With nearly three decades of experience in economic development, Bill's career began at the State of Florida's Enterprise Florida, where he served as Director of Field Operations. He then took on the role of Director for the South Carolina Department of Commerce. His extensive background also includes positions as Vice President of Economic Development for Invest Atlanta and Economic Development Director for the City of Charlotte, NC. Additionally, he served as Executive Director of the American Red Cross in South Carolina.

Bill holds a bachelor's degree in International Affairs and Political Science, along with a certificate in Asian Studies from Michigan State University. He is proficient in Thai and Mandarin Chinese.

Active in the economic development community, Bill is a member of the International Economic Development Council's Board of Directors and serves on the Pasco Hernando State College Foundation Board. He is also involved with the Urban Land Institute, Florida Tax Watch, the Suncoast District Committee of Scouting America, and the Community Foundation of Tampa Bay. Bill is an alumnus of the Delta Sigma Phi Fraternity.

In 2019, Bill co-founded The Human Trafficking Foundation, Inc., which aids non-profit organizations dedicated to the rescue, recovery, and advocacy for survivors of human trafficking. In 2024, he became a mission support specialist for Skull Games Task Force, utilizing open-source intelligence (OSINT) to assist law enforcement in combating sex trafficking.

Bill resides in Pasco County with his wife and is proud to be a father to a son and a daughter, as well as a grandfather.

Richey Elementary Service Project

Dr. Tammy Berryhill, our President-Elect, is the Principal at Richey Elementary and they need our support.

Richey Elementary School is a Title One School, meaning that over 90% of the students live in poverty. Often, students come to school with soiled clothes and need basic supplies. Generous donors have helped with school supplies and backpacks; however, they could use other items.

Many of these families live in the hardest hit areas of Hurricanes Helene and Milton, and some have not yet recovered. These kids, whose families were already struggling for basic needs, have sustained further setbacks and displacement. If you can help, they are in need of the following items:

- snacks (for teachers to provide during the day - so make them yummy!)
- toiletries
- socks and underwear for children between 5-12 years of age

Please bring these items to our meeting on Wednesday. If you don't have time to shop before then, please let me know and I'll pick something up for you.

Thank you for stepping up for the kids in our community!

Oyster Beds at Fantasy Island

In conjunction with Tampa Bay Watch and the Duke Energy Mariculture Center, CCA Florida kicked off the Fred Crabill Fantasy Island Living Shoreline project on November 16. Ronnie Bryant, Kirstie Bryant, Bob Memolie and David Christopher represented our Club in service to this project.

The project involves installing oyster reef balls (weighing 200 pounds each!) and an oyster shell bar. Volunteers shoveled fossilized shells into mesh bags and transported them via dollies to boats to be installed on the shoreline to create a series of oyster bars. The goal of the project is to stabilize shorelines and prevent erosion while creating habitat similar to natural oyster communities found along shoreline areas throughout Tampa Bay. The oysters will cling to the netted shell bags, lay eggs to repopulate while filtering about 50 gallons of fresh water every day.

Great job!

Festival of Trees Update

Events

November 20th
[West Pasco Sunset Club Meeting](#)

Birthdays

Janice M. Allen
November 30th

Wedding Anniversaries

Michael S. Singer
November 29th

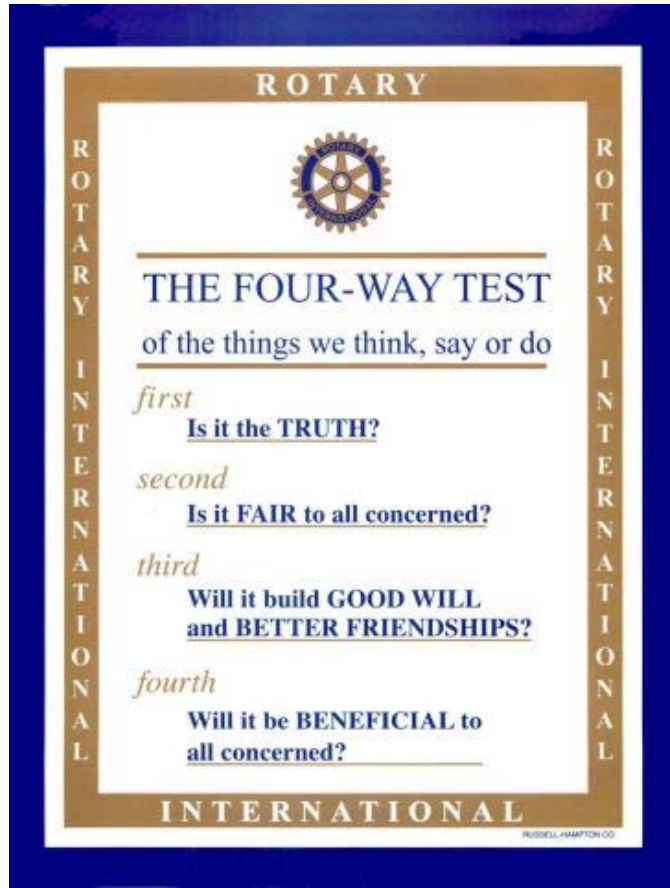

Many thanks to Robin and Donna for assisting in decorating the Club's "Winter Wonderland" tree to support the Good Samaritan Clinic's annual Festival of Trees Fundraiser. Our Foundation donated \$500 to the project, and our tree sold for \$600!

Rotary Days at USF

Members of the Club enjoyed a fun-filled day of fellowship at the November 9 USF v Navy game at Raymond James Stadium. USF didn't get the win, but everyone had a wonderful time. Stay tuned for more opportunities to support our home-town teams and enjoy each other's company!
