District Governor, Troy Willingham, will be visiting our club this week!

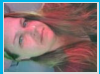

Troy and his wife Jean married in 1994 and they have 3 sons in their 20's. Troy earned an MBA in Leading the Customer Driven Organization from USF and a Master's degree in commercial Architecture from the University of Florida. He is a graduate of Leadership St Petersburg, a registered architect, runs his own firm, designs healthcare buildings in Florida and the Cayman Islands and has practiced in St Petersburg since 1979. He was district large club president of the year in 2020, Assistant Governor in 2021, and serves as this year's district governor.

Please give District Governor Willingham a warm welcome!

On September 17, 2022, several Rotarians from our club participated in the Keep Pasco Beautiful Cleanup. We were also joined by students with both the Pepin Academies and Wendell Krinn Technical School Interact Clubs! Thank you to all that joined for a day filled with fellowship, service, and fun!

The first Rotary service project was the installation of public toilets in the city of Chicago.

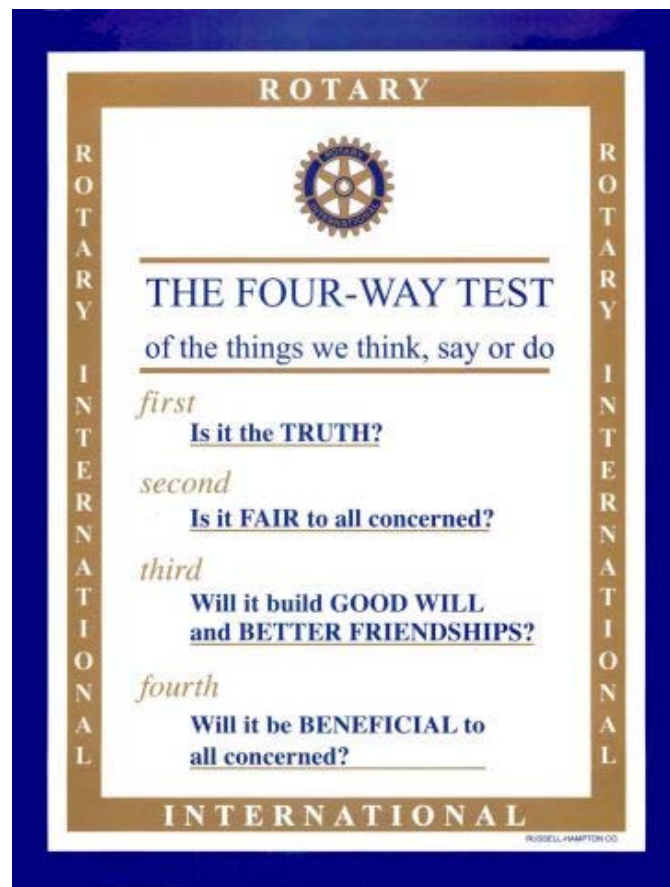

Did you know that the first Rotary service project was the installation of public "comfort stations" (restrooms) in downtown Chicago. Since then, there have been a number of life-changing service projects throughout the world!

Ronnie is always on the lookout for Rotarians to participate in the Cook for Kids at the Rap House. It is always a great time filled with service, fellowship, and fun. If you have not participated in this service, you don't know what you're missing!

Cook for Kids is the first and third Tuesday of every month. If you are interested in participating or if you have any questions, please contact Ronnie Bryant.

Have you wondered how the Rotary Membership process works? Have you considered proposing a new member? Here are the steps:

- 1) A Rotarian of our club may invite a guest to attend one or two meetings;
 - 2) If the Rotarian feels that that person would be a good fit with our club, the Rotarian may propose that person by completing a proposal form and submitting it to the club secretary;
 - 3) The proposal is brought before the board of directors for a vote. Remember: DO NOT inform the prospective member of the proposal until AFTER the board approves;
 - 4) Once the board approves, the proposed member is asked to complete and sign a membership application. This application should be returned to the secretary ASAP so that he/she may publish information to the club;
 - 5) The proposal is presented to the club for a seven-day objection period;
 - 6) Barring any objections, the proposed member becomes a new member!
