Our guest speaker this week is our very own West Pasco Sunset Rotarian, Mike Singer!

Mike Singer is the Executive Director of the Good Samaritan Health Clinic of Pasco in New Port Richey. Mike came to Good Sam in 2018 and has worked for health and social service organizations for 33 years, the last 22 of those years in

executive management and consulting.

Mike served 14 years in the United Way system in leadership roles in Birmingham, Chattanooga, Greensboro (NC) and Frederick (MD). He also served five years as the Executive Director of Ronald McDonald House Charities of Alabama, running programs in Birmingham and Tuscaloosa and also spent a year as a travelling consultant for the international office of Ronald McDonald House Charities.

Mike has extensive experience in program development, capacity building, board/volunteer recruitment and development, needs assessments, corporate gift/foundation requests, and developing partnerships and coalitions among non-profit and for-profit entities.

Mike graduated from George Washington University in Washington, DC with a BBA in Marketing. He is married to Debbie, and they reside in Hudson.

Please give Mike a warm welcome!

There has been a lot of excitement surrounding the NASA Artemis I space launch!

Did you know that a Rotary banner made its way into space in 1968? The Rotary Club of Space Center had its banner carried by Rotarian Colonel Frank Borman on the Apollo VIII Lunar Mission which occurred on December 21-27, 1968. This banner was later presented to Rotary International President Togasaki in Honolulu, Hawaii by Colonel Borman. The banner is currently on display at Rotary International Headquarters in Evanston,

Illinois.

September is Basic Education and Literacy Month.

Basic education and literacy is one of The Rotary Foundation's six areas of focus. We know that basic education and literacy are essential for reducing poverty, improving health, encouraging community and economic development, and promoting peace.

## "One Profits Most, Who Serves Best, Service Above Self"

Do you  
have  
any

proposed speakers who can provide great information to our club?  
Please contact Dave LaRoache at [drlaroche2020@gmail.com](mailto:drlaroche2020@gmail.com). Our club is  
always in need of great speakers!

---

Have you wondered how the Rotary Membership process works? Have you considered proposing a new member? Here are the steps:

- 1) A Rotarian of our club may invite a guest to attend one or two meetings;
- 2) If the Rotarian feels that that person would be a good fit with our club, the Rotarian may propose that person by completing a proposal form and submitting it to the club secretary;
- 3) The proposal is brought before the board of directors for a vote. Remember: DO NOT inform the prospective member of the proposal until AFTER the board approves;
- 4) Once the board approves, the proposed member is asked to complete and sign a membership application. This application should be returned to the secretary ASAP so that he/she may publish information to the club;
- 5) The proposal is presented to the club for a seven-day objection period;
- 6) Barring any objections, the proposed member becomes a new member!

Do you have some news to share with the club? If you would like to include something in the newsletter, please contact Brendan at [Brendan@LMWAttorneys.com](mailto:Brendan@LMWAttorneys.com) by 5:00 p.m. on the Monday immediately before the next meeting.
