Learning Opportunity of the day: Introduced by Bob

Darlene Grossman - darlene.grossman@hopehsc.org Hope Healthcare, Community Outreach and Business Relations Coordinator Phone: 239-985-7758

Hope Hospice is a small part of the Hope Programs provided by Hope Healthcare. People incorrectly think that hospice care is only for those with terminal illnesses. Darlene clarified the services available.

The programs include:

Hope Connections in Glade and Hendry Counties ♦ Home-based independent living and care for people ages 60 and older.

Hope Hospice ♦ Glades, Hendry and Lee Counties ♦ Care, comfort, and support for people with life-limiting illnesses and their families

Hope Palliative Care ♦ Lee County ♦ Support and comfort for people with serious illnesses and complex medical conditions who are continuing curative care

Hope Kids Care ♦ Glades, Hendry, and Lee counties ♦ Care for children living with complex medical conditions or coping with grief.

The Wings of Hope magazine she left with us provides detailed information.

Happy Sad Dollars ♦ **Kim A Sergeant at Arms**

4 Way test ♦ led by Dick
